Typhoon Karen Smashes Guam Island

Vacant Labor Council Seat Cause of Feud

REPORTER'S REFLECTIONS — War is a chaotic state in the relationships between two competing forces.

While usually associated with exertions of physical force, a state of war may exist when any two or more opponents marshal their total power against each other to gain some immediate objective.

By this definition, a political election is war. This occasions the political oratory which tends to make promises that cannot be carried out. The reason, the election is the immediate goal.

A strike by union members is a state of war. Normal communications and relationships are broken. Each tries to outlast the other in a struggle to do economic harm to the other.

Any meeting of a legislative body, such as the Illinois General Assembly, at times becomes a battlefield, that is, a place where a state of war exists.

Usually this condition occurs on the floor of one of the houses of the legislature. However, when the General Assembly convenes at 4:30 p.m. today, the members will have to cross a picket line. This could be construed a state of war, for conceivably, though not probable, pro labor legislators may not cross the picket line. This could result in the lack of a quorum for the special session of the Assembly which would defeat the purpose of the members being called to Springfield.

Council 34 of the American Federation of State, County and Municipal Employes Union AFL-CIO, which is headed by William Russell, president of the Dixon State School local AFSCME, has plans to ring the legislative halls with some 200 pickets.

Russell and Joseph Gleason, international representative of the union, say they are not on strike. They simply wish to publicize the plight of civil service state employes whose wages have been frozen.

Gov. Otto Kerner, by an executive order, froze the salaries of this class of employes. This has been a particular afront to this union since the Governor was most liberal in granting pay raises to craft union members who hold patronage jobs.

The AFSCME has a legitimate gripe and their complaints have fallen on deaf ears during the past several months in Springfield.

This sets up conditions for a state of war:

One side has a serious beef which the other faction has not taken seriously. The complaining side has strength enough to cause trouble, embarrassment or exert other pressure on the opposition to gain an audience.

For reasons best known to Kerner, the civil servants of the state have not gotten a fair shake.

However, should the AFSCME

(See COLUMN . . . Page 4)

WASHINGTON (AP)—Walter Reuther carries a secession threat to a crucial AFL-CIO Executive Council meeting today but a compromise was expected in his feud with federation chief George Meany.

Peacemakers worked to settle the union internal battle in the belief that a separated labor movement could not accomplish more than a single organization even though it was embroiled in policy differences.

A simple solution reportedly was being proposed to settle a hot controversy over filling a vacant post on the AFL-CIO Executive Council.

This was to abolish the vacancy by reducing the 29-man council membership by two positions.

CIO Side

The contested vacancy was one from the former CIO side. But another seat, from the old AFL branch, held by President William Doherty of the Letter Carriers Union, is being vacated because Doherty has been appointed by President Kennedy as ambassador to Jamaica.

Reuther, president of the Auto Workers Union and one-time head of the old CIO before the merged federation was established in 1955, has been insisting that President Ralph Helstein of the Packinghouse Workers be named to one of the vacant council posts staked out for former CIO unions.

Rejected

Meany, AFL-CIO president, rejected Helstein on the ground that he and his union have been charged with left-wing tendencies. He suggested that a more acceptable CIO choice would be Eugene E. Frazier, a Negro, president of the United Transport Service employes representing depot "Red Caps."

Reuther was insisting that the one-time CIO union should have the right to name its own choice. Meany claimed that while the CIO could nominate someone, the choice would be subject to approval of the AFL-CIO council, over which Meany exercises approximately a 2-1 majority vote.

The controversy over the council vacancy is believed to be only a convenient battle point between Reuther and Meany, who have been feuding over personal power all during the seven years of the merged labor federation.

Handyman Is Charged in New York Killing

NEW YORK (AP) — A handyman has been charged with homicide in the fatal stabbing of a dealer in voodoo figures who had fired him for drinking.

Police said the handyman, Pedro Ramos Pagan, 30, of the Bronx, admitted Sunday the slaying of Tomas Dros Caciano, 35, during an argument over $12 Pagan claimed was due him.

600 Lions To Roar On Tuesday

RUSSELL W. NIXON

Some 600 Lions will converge on Dixon High School Tuesday evening for the District 1-D Roar which will bring Lions from 52 clubs in the Northern Illinois district.

The Lions will dine in the DHS cafeteria and then go to the auditorium for the evening's program.

The principal speaker for the occasion will be Russell W. Nixon, St. Louis, who was elected a director of Lions International at the convention held in Nice, France in June.

Nixon is a Key Member of the Overland Lions Club where he has held every office except that of secretary and treasurer. He holds two Extension Awards and the 100 per cent Governor's Award.

Willard G. Thomas, Sterling, is district governor for the area and last year was president of the Sterling Lions Club.

Other district officers include, Robert Eckman, secretary and Arlo Millican, public relations, both of Sterling.

Wives of the visiting Lions will dine and be entertained at the Nachusa House where the wives of District 1-D officers will host an evening for Mrs. Nixon.

This Roar is one of many held from time to time by the more than 655,000 Lions in 118 countries of the world.

Echo Not Visible

CHICAGO (AP)—Echo Satellite will not be visible to Illinois sky-watchers this week, the National Aeronautics and Space Administration said today.

Worst Tropical Storm in Isle's History Devastating

HONOLULU (AP)—Typhoon Karen — described as the worst tropical storm in Guam's history—has rendered the island nearly helpless, leaving hundreds injured, at least one dead and an estimated $100 million in damage.

Karen ripped the tiny island—hub of the United States Pacific defense ring—late Sunday night and early Monday, Guam time, with winds estimated at 150 knots.

The Navy's Pacific Fleet headquarters at Pearl Harbor said a three-day warning of the big blow "saved countless lives."

Guamanians and U. S. military personnel and their dependents beban digging out of the battered island.

Guam's acting governor, Manuel Guerrero, sent an urgent appeal to Washington to rush aid. He said, "entire territory devastated by Typhoon Karen."

Guerrero's message said 95 per cent of the island's civilian community, including government employe housing, was useless or destroyed.

Pacific Fleet headquarters said four of every five civilian homes had their roofs blown off.

The acting governor's message said George Washington High and Tumon Junior High Schools were destroyed. Guam Memorial Hospital, the island's public works department and utilities agencies were extensively damaged, Guerrero said.

He asked the Office of Emergency Planning to declare Guam a disaster area.

The Navy's report said strongest winds smashed the island Monday morning. First estimates placed property damage at $100 million.

Communications were completely blanked as the storm ripped out antennas and transmitting equipment.

Residents took refuge in storm shelters and government buildings. The Federal Aviation Agency said some dependents were to be evacuated to Wake Island.

The Navy's tracking center at Guam gauged sustained winds of 135 knots Sunday night and early Monday, before personnel were forced to run for shelters. Messages received in Japan said winds gusted to 147 knots before measuring devices broke down.

The island, just a dot on the map, is 30 miles long and four to nine miles wide.

Prairie Chicken Refuge Dedicated

NEWTON, Ill. (AP) — The state's first prairie chicken refuge, a 77-acre wildlife sanctuary in southwestern Jasper County, is to be dedicated at a dinner tonight in honor of Dr. Ralph E. Yeatter, noted Illinois conservationist.

The refuge is sponsored by the Prairie Chicken Foundation of Rockford. The State Conservation Department estimates less than 1,000 prairie grouse survive in Illinois.

Other grassland sanctuaries have been proposed in Wayne, Clark and Clay counties.

Hostilities Resume on India Border

NEW DELHI, India (AP) — Hostilities between Indian and Communist Chinese troops are picking up again around Walong in their undeclared border war. An Indian spokesman said today there were three weekend clashes in that area just west of the Burma border.

The spokesman said five Indian soldiers were wounded.

The Indians also had a brush with a Red Chinese patrol near Jang, at the west end of India's North East Frontier Agency, he said, but otherwise a lull continued.

The report from the front came as Prime Minister Nehru, striving to put the nation on guard against all eventualities, told newsmen he has asked the United States for planes. He did not say what kind of planes, but India evidently could use additional transports.

Concerning the weekend fighting, the spokesman said a Red Chinese party of unspecified size approached an Indian position near Walong on Saturday night and opened fire. He called this a probing action from which the Red Chinese withdrew.

That same night, an Indian patrol operating on the Himalayan ridges northwest of Walong encountered some Red Chinese. One Indian was wounded in the clash.

Another Indian patrol exchanged fire Sunday night with the Red Chinese and four Indians were wounded.

Since the initial Communist thrusts into Indian-claimed territory at 13 points in the offensive launched Oct. 20, there has been a lull of almost three weeks. Both sides have been moving up reinforcements.

There was no immediate indication of the kind of planes Nehru requested.

Kennedy, Top Consultants Discuss Cuban Crisis

TRENCHES MANNED ON GUANTANAMO—United States Marines keep watch from sandbagged trench on hillside at the perimeter of the U.S. Naval base at Guantanamo, Cuba, as strengthened forces keep alert during the Cuban crisis. Henry Burroughs, AP photographer with first press party allowed in base since crisis, made the photo. (AP Wirephoto)

WASHINGTON (AP)—President Kennedy and his top consultants on the Cuban crisis met for an hour and 45 minutes today at the White House, but there was no announcement of results.

Withdrawal of Soviet missiles from Cuban bases was one subject that was certain to have figured in the discussions.

The conference brought together not only the U.S. negotiators assigned to the United Nations during the Cuban crisis, but also the members of the executive committee of the National Security Council. The Security Council members have been meeting almost daily with Kennedy.

At the conclusion of the session, the U.S. ambassador to the U.N., Adlai E. Stevenson, left the White House by the west basement entrance. With him—they all climbed into a black limousine— were John J. McCloy, chairman of Kennedy's Cuban crisis coordinating committee, and the two other committee members.

Kennedy had summoned the top Cuban crisis negotiators to the White House to discuss "developments to date" in their talks with Soviet and U.N. representatives.

The announcement of the meeting, issued by the U.S. delegation at the United Nations, did not elaborate.

Deputy Secretary of Defense Ros-

An AP News Analysis

Khrush Helped By Cuban Crisis

By WILLIAM L. RYAN
AP Special Correspondent

Strong evidence from Moscow suggests that Nikita Khrushchev has been helped as much as he has been hurt by the Cuban crisis. Indications are that he will have his way in preparing the U.S.S.R. for a long-pull economic cold war.

Close examination of what went on before, during and after the 45th October Revolution anniversary seems to justify speculation concerning developments of high significance in the global political-economic war.

A picture emerges of Khrushchev as chairman of a collective of Soviet leaders whose theories, doggedly pushed since the destalinization congress of 1956, now are being vindicated.

Coup de Grace

The collective thus has had the opportunity to apply a coup de grace to its internal enemies and turn its attention to Khrushchev's original program. This seemingly was based on the assumption that nuclear war would ruin the Soviet Union, and that the logical course was to prepare for economic war on a world scale.

This does not mean Communists will not grab opportunities where they find them. But it can mean that the overriding policy is "better safe than sorry." It can mean that so long as the United States and the West keep up their guard, caution will be the Kremlin watchword.

The Cuban adventure showed how close Moscow could come to blundering into nuclear war with recklessly warlike policies. It is even possible the missile buildup in Cuba was undertaken against Khrushchev's better judgment, that he was overruled when the decision was made some months ago to go ahead with it.

Won Debates

Indications now are that Khrushchev's side has won whatever debates went on in party councils regarding the decision to pull back the missiles.

Having won that argument, the collective is strengthened in holding back impatient Communists who want aggressive action in West Berlin and elsewhere.

All these things undoubtedly were dealt with during the parade of visits

(See KHRUSH . . . Page 4)

Nik Retreat Was Difficult, Says Allen Dulles

DURHAM, N.C. (AP)—"The Cuban retreat was a particularly difficult one for Khrushchev to take and we must be on our guard," Allen W. Dulles said Sunday night.

The former chief of the Central Intelligence Agency said that the Soviet Union, "caught off balance by the strong and vigorous action of his country," will "try to redress the balance."

Farmer Will Seek NFO Top Post

BETHANY, Mo. (AP) — Harold Woodward, 39-year-old Bethany farmer, announced today he will run for president of the National Farmers Organization at the NFO's national convention next month in Des Moines.

Oren Lee Staley of Rea, Mo., has been president since the NFO was founded in 1955. With headquarters in Corning, Iowa, the NFO claims members in 17 midwestern states.

The organization's announced goal is to obtain contracts with food processors guaranteeing sound prices for farm products.

Woodward, a former national NFO staff member, said he would seek realistic contracts through collective bargaining that would promote quantity and quality of farm products at fair prices to producers and consumers.

He said he would demand a financial audit of NFO records. The organization never has disclosed the size of its membership.

Orville Lenz of Elmwood, Neb., state NFO president, announced today Nebraska members would support Woodward.

GOP Intraparty Battling Begins

By JACK BELL

WASHINGTON (AP)—The firing on the right and the left already has begun in what promises to be an 18-month battle between conservatives and liberals for control of the Republican party.

By the time the Republican National Convention meets in mid-1964, delegates will have before them the results of presidential primaries, the record of the Republicans in Congress and the performance of party governors in choosing a presidential candidate. No one is doubting that President Kennedy will be the Democratic standard bearer.

Meanwhile the prospects point to plenty of intraparty battling.

Last Tuesday's election gave both sides some fresh ammunition.

Point to Rocky

The party's liberals could point to the re-election of Gov. Nelson A. Rockefeller in New York and to the victories in governor races of George Romney in Michigan and William W. Scranton in Pennsylvania as marking a trend toward moderatism, if not liberalism, within the party. They could cap this with the notation that a couple of candidates regarded as liberals won key Senate races in the two biggest states. They are Sens. Jacob K. Javits, R-N.Y., and Thomas H. Kuchel, R-Calif.

Beyond this the liberals could demonstrate to their party brethren that extreme rightism does not pay by citing the defeat of four John Birch Society members in three House races in California and one in Texas.

Against this the conservatives could point to the gain of four new Republican House seats in the South, where the winning margin for either 1964 presidential candidate might lie if results in other sections of the country are close.

Cite Escape

They could cite the narrow escape of Sen. Lister Hill, D-Ala., from defeat by a Republican candidate as

(See GOP . . . Page 4)

Clear Photos of Moon Reveal Sharp Lunar Landscape

SAN JOSE, Calif. (AP)—What astronauts will some day see when they are 300 miles from the moon has been revealed in remarkably clear photographs released by the Lick Observatory on nearby Mt. Hamilton.

The photos show high, rugged mountains, gaping valleys, mysterious seas that may be dust or lightweight rock, cracks and craters, some of which have mountain ranges within their perimeters.

OLD GLORY AT HALF-MAST—The flag flies over Dixon's Post Office at half-mast this morning as the nation remembers the veterans of this nation's wars.

Legislators Open Revenue Session

SPRINGFIELD, Ill. (AP)—After a year's absence, Illinois legislators return to Springfield today for a post-election special session dealing with transferring state funds to tide over public aid payments.

Administration leaders set their sights on a quick, no-fuss session that could complete the business on hand in a week's time. But even before the lawmakers convened, there were grumblings about Gov. Otto Kerner's plan to borrow gas tax funds.

The likely prospect was the emergency session would last at least until Thanksgiving, with the legislative halls providing a forum for the victories and defeats of the election just over and for what lies ahead when the lawmakers open their regular session in January.

Joint Session

Both chambers will hold a joint session at 4:30 p.m. to hear Kerner outline his taxless proposals of stop-gap financing to carry the aid programs well into next year.

It is the second special session of the 72nd General Assembly. The first one was a stormy seven-weeks meeting a year ago that agreed on congressional reapportionment the day before Thanksgiving.

While the gas tax borrowing plan faces a hurdle, Kerner claims it is the only alternative to boosting taxes.

In all, the legislature will be asked to shift about $34 million in gas taxes, soldier bonus funds and unclaimed bank deposits to raise part of the $75 million needed in state funds to pay for public aid programs until June 30 next year.

Kerner already has authority to transfer a total of $21 million from gas tax reserves and the agricultural premium fund, which would further offset the shortage.

The administration goal is to scrape

Woman's Club Hears About Fire Thursday

AMBOY—Eighty-five per cent of all people who lose their lives in home fires could be saved if a little thought was given to safety precautions in the home, Ray Asper, a safety director from Bloomington, told members of the Amboy Evening Woman's Club at their regular meeting held in the club rooms of the Pankhurst Memorial Library, Thursday evening.

Speaking on the topic "Home Fire Drills," he listed the three main causes of fires in the home as: careless use of matches and smoking, misuse of electricity and lighting. Colored slides were used to demonstrate how a family could work out a fire drill to prepare them for escape from home in case of an emergency. Points stressed were: every room should have two exits, consider features of home and set up escape routes from every room; instruct every member of the family in procedures such as crawling on the floor to avoid excessive heat and smoke; feeling of a door to see if it is warm before opening it, and how to use upstairs windows to leave the house.

Another important factor was to set a designated spot as a meeting place once outside the house. In closing, he told the group the three steps to follow in case of fire are—evacuate the building, call the fire department, and do what you can to control the fire until the firemen arrive. A dry powder chemical fire extinguisher was recommended as an all purpose extinguisher for home use.

Mrs. Marion Hinrichs presided at the meeting which opened with the pledge to the flag, and Mrs. Richard Wagner read the club collect. Roland Full entertained with several vocal numbers. A medley of smile songs included "When You're Smiling," "There Are Smiles That Make You Happy," and "Smile A While." He also sang "Girl Of My Dreams" and "When I Grow Too Old To Dream." Carl Kalo accompanied him on the piano. As a special salute to Armistice Day, he led the group in singing "America."

Mrs. M. G. Mihm reported the action sponsored by the club in October was most successful and thanked the committees who helped with the project. Mrs. Hinrichs announced the club had welcomed 26 new members this year, making a total membership of 65. Volunteers were solicited to assist with the diabetic testing clinic to be held at the City Hall, Friday evening, Nov. 16. Plans were made for the club members to go Christmas caroling on Dec. 20.

Miss Marye Hegert, American Citizenship chairman distributed pamphlets which listed 15 ways to be a good citizen.

The next meeting will be the annual Christmas program, "Do It Yourself Christmas," presented by an arts and crafts shop, Sterling. There will be a cookie and candy exchange and each member is requested to make a donation to the fireman's Christmas baskets.

During the social hour refreshments were served from a table arranged with tiny Pilgrim figures and a small white church. Miss Mildred Price presided at the coffee service.

* * *

Mr. and Mrs. Earl Kellen returned home Thursday evening from a visit with their son and daughter-in-law, Mr. and Mrs. Ronald J. Kellen and Angel, Belton, Mo.

Mr. and Mrs. Elmer Sensenig Jr. are the parents of a son born at the Amboy Public Hospital, Friday morning.

Lee Smith and Jim Full returned to their studies at Northern Illinois University, DeKalb, after spending the weekend in their homes here.

Refugees Tell Of Grim Life Inside Cuba

GUANTANAMO BAY, Cuba (AP)—This U.S. naval base is a little mine of information about the grim life outside in Fidel Castro's Cuba.

Fifty refugees from Castro are here now, although U.S. officials do not admit this. The Cubans tell of hunger, a shortage of doctors, police-state rule, and disaffection even among the people's militia.

They say the militia, the bulwark of Castro's military position, was disgruntled when it was put on short rice rations after being called up because of fear of a U.S. invasion.

Western intelligence experts estimate Castro has 200,000 men and women in the militia, and a regular army of 80,000 equipped with modern Soviet weapons.

Distrusts Militia

Castro appears now to distrust the militia, refugees say. They report militiamen no longer can keep their rifles and machine guns while off duty and must account for all ammunition issued.

Besides the refugees, who climb the high steel, barbed-wire-topped fences or swim past Communist guards on the seaward side, Cuban workers at this base also are a source of information on life on the outside.

A worker employed on the base for 20 years said the people were overjoyed when it appeared last month President Kennedy was about to crack down on Castro. But now he said the people are disappointed and downhearted.

"The medical situation in Cuba is very bad," he said. "I heard three days ago my friend died without medical attention. Castro is very short of doctors and he is trying to improvise doctors. Anybody who had any experience is now a doctor.

More Against Castro

"In the last 15 months I say maybe 60 per cent of the people are against Castro. In this time of crisis it has worsened.

"When President Kennedy made his Oct. 22 speech (announcing that Soviet missiles were in Cuba and must be removed), it made the people very happy but now they are downhearted. They are angry and hungry. They cannot get anything to eat.

"The United States is losing a lot of friends. People do not know what to do. People are just sick and worried."

People in the News

By The Associated Press

Pope John XXIII advised 240 juvenile delinquents at a Rome reform school to forget the past and present, and have confidence in the Lord.

The pontiff's eyes welled with tears at times during his visit to the 200-year-old Gabelli Institute.

He advised the inmates of the reform school and others brought in from another institution to look to the future. He also advised them that "if you want to succeed, you must also know how to obey."

King Gustav VI of Sweden was lavished with affection and gifts at Stockholm as he reached 80. Thirteen couriers, who in relays had covered a total of 7,800 miles, puffed into the palace bringing birthday greetings to the sports-minded monarch from athletic organizations in all parts of the kingdom.

The Swedish people gave the king a bank book with a deposit of 5 million crowns — about $1 million. The money, collected by popular subscription, will go into the king's Royal Foundation which distributes grants and scholarships to Swedish artists and scientists.

Jean Monnet of France, one of the leading forces in developing the European Common Market, said a partnership between the United States and the market could force the Soviet Union to abandon its expansionist policy.

In a filmed television interview—CBS—"Washington Report" released in Washington, he also said in an apparent reference to the Cuban crisis, that " I think we have been very close to world catastrophe."

He said, however, that the opportunity exists for creating conditions that will lead to peace.

President Kennedy acted as his own chauffeur as he and his wife took guests on the six-mile trip from their leased estate, Glen Ora to the site of their incomplete new home at Rattlesnake Mountain near the village of Atoka, Va.

Kennedy was again at the wheel of a station wagon on the return trip from the rancht-ype home the Kennedys plan to use as a week-end retreat beginning in early spring.

AP Analysis

Menon Still Will Advise India's Nehru

By RANGASWAMY SATKOPAN

NEW DELHI, India (AP)—Top Indian political and official circles believes that V. K. Krishna Menon will continue to be Prime Minister Nehru's chief adviser on foreign policy despite his fall from the cabinet and the debacle of his defense policy.

And there is no indication, these same sources say, that Menon won't continue to be Nehru's favorite spokesman at the United Nations when the prime minister feels Menon's special talents are needed there.

Nehru's reluctance in dropping Menon from his Cabinet was plain. "I have decided with great regret to accept Menon's resignation," he told leaders of the Congress party. Nehru said he was accepting the resignation because the unending and mounting controversy around his closest associate would inevitably impede the defense effort.

But Menon continues to live across the street from Nehru's official residence, within easy reach of the prime minister whenever Nehru wants to consult him. And after years of paying close heed to Menon's counsel, it is highly unlikely that Nehru is now going to ignore it.

Menon no longer will exercise direct and constant influence on day-to-day policies, as he has for the past six years as a senior cabinet member, one of Nehru's aides said.

"But there is nothing to prevent him from continuing as Nehru's top foreign affairs confidant, which he always has been even without being in the Cabinet," the aide added.

One top official commented wryly: "If tomorrow we need a man to talk with Chou En-lai, who else is thee except Menon?"

Defense Against Cuban Bomber Attack Mounting

By ELTON C. FAY

WASHINGTON (AP)—U.S. defense against bomber attack from Cuba is mounting as the Communists persist in refusal to remove a score or more of Ilyushin 28 medium jet bombers with nuclear-strike capability.

The bombers, together with Russian-made MIG jet fighters which also can be used for bombing purposes, remain a menace, even though the Russians appear to have dismantled and shipped out medium and intermediate-range ballistic missiles.

Army Nike-Hercules missiles—capable of hurling atomic warheads up to 100 miles—obviously have been emplaced in southern Florida where batteries of shorter range Hawk antiaircraft missiles already were arrayed.

One in Position

A published photograph of one position shows two Nike-Hercules, one in vertical position, the other still on a transport beside it. This is the first disclosure that Hercules missiles have been placed in southern Florida—the tip of which is 90 miles from Cuba.

Until now, Nike weapons had been deployed in other areas of the country, primarily around big metropolitan areas and airfields.

The missile defenses are in addition to swarms of Air Force and Navy jet interceptors poised for swift take off from runways and carrier decks.

The radius at which the IL28 can operate is considerably less than that for the intermediate-range ballistic missiles which the Russians had been putting into place before U. S. reaction brought Russian agreement to withdraw the nuclear rockets.

The IL28 is shown in U. S. data to have an estimated range of 1,200 miles. The useful radius the distance out from take off would be less than half that, with allowance for maneuvering and time over target. The full range could be used to reach more distant targets, if it were a suicide, one-way trip.

Speed of the IL28 is estimated at about 540 miles per hour, the maximum useful altitude at about 50,000 feet.

To deal with IL28s, the supersonic missiles and interceptors of U. S. air defenses would seek intercept at the earliest possible moment, before the invading aircraft had reached U. S. shores. Speeds of some of the more recent fighters are as high as 1,200 miles per hour, their useful altitude well above the 50,000-foot level.

The Nike-Hercules missile, lofted at supersonic speed, is reported to be capable of altitudes of about 150,000 feet, although this presumably would be reduced at the extreme, 100-mile range.

The MIG jet fighters, which Russia delivered to the Cuban government, would be more of a problem for the defenders than the slower and lower-flying IL28s. The possibility of their use for bombing missions imposes a serious menace, both because of speed and maneuverability. The assumption is that a nuclear bomb might be attached externally to the MIG fighter plane.

Adenauer's Party Gets Setback

FRANKFURT, Germany (AP)—Chancellor Konrad Adenauer's Christian Democrats suffered their worst election setback ever in a state vote Sunday.

Adenauer and other top party leaders had no immediate comment. The country's newspapers were quick to interpret the vote in Hesse as an important protest against the federal government's handling of the Der Spiegel case.

The publisher of the news magazine Der Spiegel and four editors are under arrest on suspicion of committing treason by publishing military secrets. The government has been accused of high-handed methods, and Defense Minister Franz Josef Strauss has been particularly criticized.

In choosing a new state parliament, Hesse voters gave a majority—51 of the 96 seats—to the Social Democrats. This was a gain of three for the Socialists, who previously had to form a coalition with the Refugee party to govern the state.

The Christian Democrats lost four seats, electing only 28 representatives. The Free Democrats got 11 and the Refugee party 6 seats.

Only 77.3 per cent of the eligible voters went to the polls.

It is estimated that two-thirds of the homes in the United States contain television sets.

WE WANT A RAIDER VICTORY TONIGHT—and these six Walnut cheerleaders got what they wanted Friday when Walnut copped a share of the South Blackhawk conference crown by defeating arch-rival Manlius 25 to 12. From left, Jo Anne Von Holten, Jerri Peach, Sue Thompson, Linda Gerdes, Denise Hurst, and Deanna Broers.

Compton WSCS Sees Program, Thanksgiving

COMPTON — The young people's Church School class presented the program on "The Meaning of Thanksgiving," Wednesday evening for the Woman's Society of Christian Service meeting held in the Methodist Church.

Richard Eggers introduced the reading of Bible verses from the Psalms. Piano accompaniment for the singing of hymns was played by Carol Zinke. Others taking part were Glenda Lamoreux, Barbara Vincent, Barney Beemer, Dennis Neal, Louis Miller and David Davis.

Mrs. Chester Hammond arranged for the program and led in devotions. She described feasts of 3000 years ago and read the 95th Psalm.

Correspondence read during the business session included letters from Wesley Memorial Hospital, Newberry Avenue Center and Methodist Minister's Pension Endowment. Mrs. Gordon Menzel, missionary education chairman, read letters from Ruth E. Northcutt, Portugese, East Africa, and Daphne Schwartz, Pueblo, Mexico.

Mrs. August Johnson announced she has requested a date for the Good Will truck to come in November. Mrs. Menzel announced the study group meeting for Tuesday afternoon at 1:30 in the home of Miss Marie Rasmussen. A report was made on the Week of Prayer and Self-denial service held Oct. 31, and Mrs. Edward Weiler, spiritual life chairman, received offering envelopes for the week.

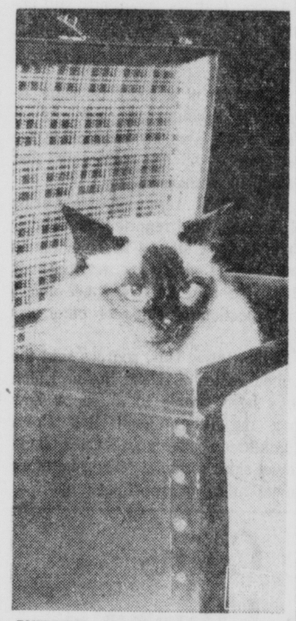
Mrs. Ralph Schultz, youth chairman, reported on the World Friendship Banquet attended by high school girls. A report was given on the success of the Donut Day, held Friday. Appointed to the membership committee are Mrs. L. M. Corwin, Mrs. Roland Richardson and Mrs. Wayne Archer. Mrs. Arthur Book was welcomed as a new member. Miss Rasmussen and Mrs. Weiler reported on the Open House at Peek Home which they attended recently.

An invitation was read from the Bessie Circle at the Mendota Methodist Church to a luncheon there on Dec. 6, with reservations to be in by Dec. 3. The group made plans for gifts to servicemen and shut-ins.

Refreshments were served by the hostesses, Mrs. Dale Miller, Mrs. Menzel and Mrs. Don Gilmore.

* * *

Mrs. Minnie Law has returned from the Princeton Hospital where she had been a patient for eight days.



WHERE AM I?—Probably happy that his satchel journey is ended, this Burma cat takes a suspicious look at Paris after arriving for the world Feline Exposition.

DIMPLED DIPLOMAT—Kathy McCarthy, University of Kansas, is one of 350 American student diplomats touring 19 countries as part of the People-to-People world friendship program.

CARRYING 158,000 BOOKS

WOOSTER, Ohio (AP) — Carrying books around a college campus hardly is unusual, but 158,000 were hauled in one day at Presbyterian Church-affiliated Wooster College recently.

Miss Maudie Nesbitt, head librarian, organized students alphabetically and by class. They reported at assigned hours during the day and evening to help transfer all the volumes from the 62-year-old former college library to the new $1.65 million library building.

"LOST GENERATION"

The term "Lost Generation" refers to the men and women who came to maturity during World War I and, as a result of their experiences in the war and the social changes following it, became disillusioned and neurotic.

Minute Maids 4-H Meeting In Amboy

AMBOY — The Minute Maids 4-H Club met in the home of Miss Susan Welty Wednesday evening. There was an introductory ceremony held to present new members to the group. A banner was displayed which was presented to the club at the Lee County 4-H achievement program at the 4-H Center, Nov. 3.

This banner was in recognition for enrolling the most new members since April 1, and having a large percentage of these new members fulfill achievement requirements. Program booklets, outlining the program for the coming year were distributed.

Miss Delores Harmon gave a talk on "Sewing Basket Needs," and Miss Lillian Friel on "Using a Thimble, Thread and Needle." Miss Patricia Welty gave a demonstration of "Know Your Materials."

Recreation activities were: a song, "Ramblin Rose," by Miss Sherri Sondergroth and Miss Pam Zurliene. Miss Mary Stenzel led in playing a game.

Refreshments were served by Miss Miriam Ross, Miss Susan McCracken, and Miss Ida Morris. The next meeting will be the annual family pot luck dinner to be held the first Wednesday in December at the Lee County Farm Bureau building.

THE ALL-KNOWING PO

PHOENIX, Ariz. (AP)—The Rev. Paul Barnhart, a retired Methodist minister, is amazed daily by the U.S. Post Office Department service.

He is delivered each day a West Coast newspaper addressed to "Phoenix, Calif."

"Our lawyer sat right there and said, 'Pay it'"

"Yes, that's what he said. He sat there advising us to pay for repairs to our damaged property, now that he had the signed statements from witnesses and all the other documented evidence he needed to bring legal action. It was such a relief.

"And when Bobby was hit by a car, it was our lawyer, sitting in that chair, who explained our legal position and how he would handle the details with the doctors, the hospital and the insurance company, etc. And that's where he sat when he worked out the details of Henry's will.

"I can hardly think of a really important phase in our lives that hasn't found him sitting in that same chair, giving us the same sound advice and counsel. And he certainly had a very important part in our buying this house! Why, in all those legal matters that came up and all those papers we had to sign, he made certain every time that our interests were fully protected. Yes, you just might say that chair has more than paid for itself, just from the use he's made of it."

Chicago Title and Trust Company protects it . . .

"Several years ago, we were notified that the city claimed the right under a recorded easement to put a new street through part of our property. Once again our lawyer sat in that same chair and reminded us of something we'd almost forgotten—our title insurance policy from Chicago Title and Trust Company. He promptly talked to the title company and together they handled it to our complete satisfaction. I guess you might say the title company deserves part of that chair, too."

A NEW CHURCH IN GRAND DETOUR—The Rev. Bernard Norland, pastor of the Grand Detour Union Church, is shown Sunday breaking ground for the new church to be built across from the cemetery in Grand Detour. Ceremonies were held following church services when members of the church turned spadesfull of dirt at the site. With Rev. Norland from left to right are: Woodrow Sweet, deacon, Spencer Price, building committee; Kenneth Mumma, Rev. Norland; Arthur Siex, elder; Spencer Aurand, elder; Francis Long, deacon, and the Rev. Walter Kruger, Monroe Center, a former pastor of the Grand Detour Church.

DHS Debate Teams Win Placings

Dixon High School debate teams Saturday tied for second in Class A and came in third in the Class B competition in the Mendota Invitational Tournament which brought 23 Illinois and Iowa schools together.

Mrs. Helen M. Martin, debate coach, today said she has high hopes for the DHS debate squad which is competing in its initial year.

Debating is included in DHS extracurricular activities this year for the first time in some five years. Hence none of the debaters have had previous experience.

In Class A debating, the negative team of Robert Taubenheim and Ronald Bull went undefeated, winning over Rockford West, Pekin, Ottawa and Geneseo. The affirmative team, composed of James Rosenberg and Paul Waytenick, downed Hall and Mendota, but dropped two other matches. In the total score of the two teams, affirmative and negative, Dixon tied with Kewanee for second place.

The Class B affirmative squad of David Sinow and Tom Greene went undefeated, with decisions over Guilford, Davenport Central, Highland Park and Kewanee. The negative team of Gene Pierce and John Kellar failed to win a match. The team total gave the Dixon debaters third place.

All of the teams attending, debated four rounds.

Two Dixon faculty members, Richard Boyer and B. G. Webb, attended, serving as judges for other schools.

MOUNT MORRIS COMMUNITY CHORUS—Members of the chorus were special guests of the U.S. Marine Corp Saturday night at the annual Marine Ball in Rockford. Their invitation to sing came as a result of the Marine participation in the Fourth of July and anniversary celebration held in Mount Morris in July. Shown in front of the 50-member chorus are Capt. Bayard Scott Pickett; Marine inspector-instructor; Charles Himes Jr., general chairman of the Mount Morris Festival committee; John Anderson, chorus director, and Capt. James Schwartz, commandant of the Marine Corp, Rockford. The group sang several numbers including special requests of the Marine detachment.

Amboy Man in Crash That Killed Two

EAST PEORIA—Two men were killed Saturday when their auto crashed headon with a milk truck driven by Raymond Hillison, 58, Amboy.

Driver of the auto, Wayne E. Lubitz, 23, Creve Coeur, and a passenger, Gary Young, 22, Peoria, were killed and two other passengers, Neal Ittenbach, 23, and his brother, Roger, both of Creve Coeur, were injured in the crash on Rt. 87, north of East Peoria.

Hillison was apparently not injured in the accident.

Kennedy . . .

(Continued from Page 1)

well L. Gilpatric confirmed Sunday the United States has counted 42 Russian missiles on ships steaming away from Cuba.

He stressed that without on-site inspection the United States cannot be certain whether the 42 were all Moscow sent in.

"The Soviets said there were 42," he said. "We have counted 42 going out. We saw fewer than 42 in U.S. reconnaissance flights over Cuba.

"Until we have so-called on-site inspection of the island of Cuba we could never be sure that 42 was the maximum number the Soviets brought into Cuba."

Unresolved

Among matters apparently still unresolved are:

Inspection of Cuba and ships entering Cuba.

Dispostion of a score or more Ilyushin-28 medium jet bombers in Cuba which Kennedy included in the category of offensive weapons that had to be withdrawn.

Cuba's U.N. representative Carlos M. Lechuga told reporters on Sunday Cuba has not altered its objection to any inspection of its territory or ships. He said Cuba did not object to inspection of ships of other nations.

Authoritative U.N. sources said the United States and the Soviet Union have been unable to agree on how long the International Red Cross Committee should inspect Cuba-bound Soviet ships to make certain no more Soviet missiles are slipped in.

Legislators . .

(Continued from Page 1)

up enough money so relief programs will be free of financial trouble for the next four months. Extra revenue required after that could be voted at the regular session.

Establish Policy

Both Senate and House Republicans scheduled meetings before the special session began to establish policy on Kerner's program.

Because two-thirds votes are required to pass emergency legislation, Republicans in either branch could turn down Kerner's proposals if they wish.

Deaths and vacancies have cut the House division to 87 Democrats and 86 Republicans. The Senate has 29 Republicans and 26 Democrats.

Thirty-seven lame duck legislators, who won't be coming back in January, will vote in the special session.

Opponents of gas tax diversion are rallying around the argument that reserves for cities, counties and townships in the state treasury already have been tapped once and further borrowing would threaten future local road projects.

Gas taxes traditionally are earmarked for building and maintaining roads, as distinguished from other states taxes which support general government operations.

Kerner, however, contends his plan for borrowing an additional $15 million will not retard road work because there is more money in the fund than local governments can possibly spend.

GOP . . .

(Continued from Page 1)

evidence that there is inbred Dixie antagonism to the Kennedy administration's policies—particularly on integration—that could be reflected by substantial electoral defection from the President in that area in 1964.

The conservatives' biggest victory produced a new contender for national recognition in the re-election of Sen. Thruston B. Morton, R-Ky.

The party conservatives could feel reassured that their viewpoint is going to be amply represented in the minority leadership in the new Congress.

Rep. Charles A. Halleck, R-Ind., will be back running the Republican show in the House. In the Senate, Sen. Everett M. Dirksen of Illinois again will be directing the minority floor operations and Sen. Bourke B. Hickenlooper, R-Iowa, will be running the GOP Policy Committee.

(Continued from Page 1)

make a mockery of the special session, it will not solve its problem and will render a disservice to the people of Illinois.

We do not believe Russell and Gleason really expect to hold up proceedings at Springfield.

And we hope the members of the General Assembly will enter the legislative halls today. After all, they represent the people of Illinois and not some special interest group. That is, we hope they do.

Should the union make shambles of the special session the fundamental blame will lie at Kerner's door. They have tried other ways to gain a hearing in the executive mansion.

When reasonable men can no longer be reasonable about their differences, a state of war exists.

R.H.N.

Revoke, Suspend Telegraph Area Drivers' Permits

SPRINGFIELD—Secretary of State Charles F. Carpentier has announced the names of Telegraph area drivers whose driving licenses have been revoked or suspended and names of drivers granted permits to drive.

The drivers license of William E. McCaffrey, Amboy, was revoked for driving under the influence of intoxicating liquor.

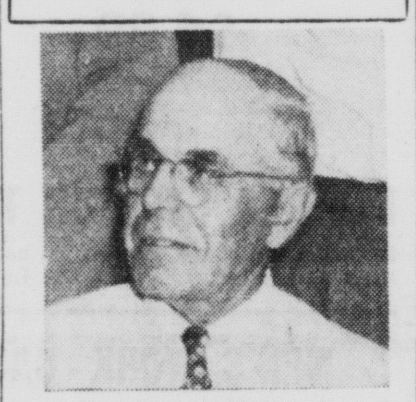
Licenses of Gerald H. Eisenberg, 223 N. Metcalf, Amboy; Lyman R. Liggett, 322 N. Jefferson, Amboy, and Robert E. Anderson, rural Walnut, were suspended for three traffic violations in a year.

William J. Brennan, 120 S. Eighth St., Rochelle, and James Ghibelleni, 10 W. Main St., Mount Morris, were issued probationary permits to drive.

Launch Satellite

LOS ANGELES (AP) — A satellite was launched Sunday from Point Arguello, Calif., with an Atlas-Agena booster combination, the Air Force announced without elaboration.

Deaths and Funerals



Mark Williams

Mark D. Williams, 77, Rt. 1, prominent Lee County farmer, died this morning at his home following a long illness.

He was born Nov. 23, 1884, in Palmyra Township, the son of Elwood Curtis and Mary Frances Daved Williams. He was married to Florence Mensch, June 15, 1910, in Paymyra.

Mr. Williams was a member of the First Methodist Church, the Masonic Lodge, Knights Templar, and the Lee County Farm Bureau.

He has served as president of the Mutual Fire Insurance Co. of Palmyra for many years.

He is survived by his wife; two sons, Elmer, DeKalb, and Robert, Mount Pulaski; five grandchildren; a sister, Mrs. Oscar (Elizabeth) Buhler, Palmyra, and a niece.

Funeral services will be held at 2 p.m. Wednesday in the Preston Funeral Home, with the Rev. James McChesney, assistant pastor of the First Methodist Church, officiating. Burial will be in Palmyra Cemetery.

Friends may call Tuesday in the funeral home where Masonic services will be held at 8 p.m.

A memorial fund has been established.

Mrs. Oscar Porter

ROCHELLE—Mrs. Oscar Porter, 79, 924 N. Sixth St., died Saturday night at Rockford Memorial Hospital where she had been a patient nine days.

The former Cora A. Clark was born Dec. 25, 1882, in Flagg Township in Ogle County, the daughter of Frank and Emma Cross Clark.

She was married to Oscar Porter in the Washington Grove Church Dec. 10, 1900. She has been a resident of Rochelle for many years.

She was preceded in death by a son and her parents.

Survivors include her husband; a son, Milfred, Rochelle; a grandson, of Palmdale, Calif., and a brother, Floyd Clark, Ashton.

Funeral services will be held at 2 p.m. Tuesday in the Unger Funeral Home with the Rev. Hugo Montanus, Morris, pastor of the Presbyterian Church of Morris, and a former pastor the Ashton Presbyterian Church.

Burial will be Flagg Center Cemetery.

Lodges

There will be a stated convocation Temple. A scramble dinner will of Nachusa Chapter, No. 56, R.A.M. tonight at 7:30 at the Masonic precede the convocation.

Traffic Court

Robert L. Miles, 21, 1720 Factory St., Sunday was fined $20 and $5 costs in an appearance before Police Magistrate Lawrence E. Boos on a muffler violation charge.

Miles was arrested Sunday by Dixon police in the 900 block of Galena Avenue. Minutes before, Miles' auto, westbound on Chicago Avenue, had passed the police squad car, which was eastbound on Chicago Avenue. Police said at the time the two autos passed, the Miles vehicle's mufflers were making considerable noise.

Police Court

Fred L. Hittlet, 47, 815 N. Jefferson, Sunday was fined $10 and $8.40 costs in an appearance before Police Magistrate Lawrence E. Boos on a charge of being drunk.

He was arrested by Dixon police after he had passed out in Annabelle's Luncheonette, 92 Peoria Ave.

State Police Report Two Accidents

FRANKLIN GROVE — Two Telegraph area persons were received minor injuries in an accident Saturday morning on the Franklin Grove blacktop near the Lee Center cutoff.

Clarence F. Henert, 56, Franklin Grove, and Lela Hartz, 25, Rt. 2, Amboy, were both treated by physicians following the accident.

State Police said the Henert auto was slowing for a stop sign when the Hartz auto struck it after crossing the center line in making a right turn.

Lela Hartz was arrested for making an improper turn.

* * *

LEE CENTER—An auto driven by Harvey Gittleson, 60, Rt. 1, Compton, was struck in the rear Sunday afternoon by an auto driven by Wilbur R. Trussing, 31, Ricketts, Iowa.

State Police said both autos were westbound on Rt. 30, six miles east of Rt. 52, when the Gittleson auto was hit while making a right turn.

Trussing was arrested for unreasonable speed. Damages were estimated at $100 to the Trussing auto and $350 to the Gittleson auto.

Khrush . . .

(Continued from Page 1)

satellite leaders made to Moscow recently.

Principally, the Kremlin seems preoccupied with putting off the time when it might have to take an action which would take the U.S.S.R. beyond the point of no return.

The whole tone of the 45th anniversary celebration was one of moderation.

All this may signify a significant turn in Soviet policy. It can mean that the present Soviet leadership has decided, with regard to Communist expansion, to make haste a little more slowly, at least while the Western world remains on the alert.

Belgian Mother Acquitted in Mercy Killing

LIEGE, Belgium (AP)— A 24-year-old mother acquitted of the mercy slaying of her deformed daughter visited the baby's grave Sunday for the first time.

A jury freed Suzanne Vandeput on Saturday although she admitted poisoning the 8-day-old baby last May. The jury also acquitted four persons accused as accomplices.

Mrs. Vandeput, who took the sedative drug thalidomide during pregnancy, was accompanied to the grave by her husband, Jean, 35, and her mother, Mrs. Fernande Yerna, 50.

The baby's malformation was blamed on the drug.

They had been codefendants, along with Mrs. Vandeput's sister, Mrs. Monique de la Marck, and Dr. Jacques Casters, the family physician who prescribed a barbiturate Mrs. Vandeput mixed with the baby's formula.

Burglars Take Coins From Truman Library

INDEPENDENCE, Mo. (AP)—A collection of coins, valued at $50,000, was stolen this morning from the Harry S. Truman Library.

Burglars, who entered by drilling the lock off a rear door, carried away 38 display boards, containing 444 coins.

Dr. Philip C. Brooks, director of the library, said the collection, containing regular and commemorative coins from the administration of every president, had been loaned to the library by John W. Snyder, Toledo, Ohio, former secretary of the treasury.

Dr. Brooks said Snyder had told him this morning the collection was valued at $50,000.

The Truman Library houses the personal papers and mementos of the former president, including many valuable gifts.

The burglars took only the coin collection. They carried the boards outside the library, stripped them of the coins and tossed away the boards.

Police said the door opened by the burglars is on a seldom used and poorly-lighted side street. The front of the library, brightly lighted, faces busy U.S. Highway 24.

Dr. Brooks said the library watchman, who makes a round of the sprawling, million-dollar building every hour, found nothing amiss when he checked the door at 3 a.m. On his next round, at 3:50 a.m., the door was open and the coin collection was gone.

The coins were presented to the library last March by John W. Snyder, secretary of the treasury during the Truman administration.

The library, five blocks north of Truman's home, was opened to the public in 1957.

In addition to his papers, it contains a large collection of mementos of his years in the White House. It also is famed for a mural by the American artist Thomas Hart Benton, commissioned at a cost of $65,000.

Miss Smothers and Charles Bohn Speak Vows in Dixon Church

A floor length wedding gown of white tulle and lace was selected by Miss Colleen Smothers, daughter of Mr. and Mrs. Lloyd Kerley, Dixon, for her Oct. 20 marriage to Charles Bohn, son of the Ralph Bohns, also of Dixon. The couple exchanged vows in an afternoon ceremony held in the Immanuel Lutheran Church with the Rev. Norman G. Wente, pastor of the church, officiating.

MR. AND MRS. CHARLES BOHN

Music for the double-ring service was provided by Mrs. Melvin Fiscel, Franklin Grove, organist, who also accompanied Mrs. Paul Weber, Prophetstown, as she sang "O Perfect Love" and "The Lord's Prayer." The bride was escorted to the altar of the church, which was decorated with candelabras holding white tapers and bouquets of lavender and white chrysanthemums, by her stepfather.

Matron of Honor

Mrs. Donald Lebre, Dixon, attended her twin sister as matron of honor and wore a gown of lavender taffeta with a veiled matching crown and carried a colonial arrangement of white and lavender chrysanthemums.

Miss Ronda Hobbs and Timothy Cross, both of Dixon, acted as flower girl and ringbearer for the ceremoney.

The lace bodice of the bride's gown was styled with a V-cut scalloped neckline and long fitted sleeves and the bouffant skirt fashioned of tulle ruffles was accented by a lace over skirt. A pearl tiara held her fingertip veil of nylon tulle, and atop a white Bible she carried a bouquet of white stephanotis surrounding a single white orchid.

Mr. Bohn's mother wore a moss green lace dress with a matching hat and gold accessories for the ceremony, and Mrs. Kerley was attired in a beige brocade dress worn with accessories of brown. Bronze chrysanthemums were used in her shoulder corsage and Mrs. Bohn's flowers were pink carnations.

Mr. Bohn was served by Richard C. Belcher Jr., as best man, and wedding guests were ushered by Donald Lawson, Dixon, and Donald Davis, Byron.

Figures of a miniature bridal couple topped the three-tired wedding cake served by Mrs. Richard C. Belcher Jr., Dixon, and Mrs. Dallas Hodge, Franklin Grove, during a reception held in the church social room following the ceremony. Presiding at the coffee service was Miss Marilyn Duffy, Dixon, and punch was poured by Miss Beverly Shuck, Dixon. In charge of the gift table were Mrs. Maynard Cross, Mrs. Donald Davis and Mrs. Donald Lawson, and guests from Dixon, Harmon, Taylorville, Sterling, Franklin Grove, Homewood, Blue Island, Chicago, Langleville, Kincaid, Amboy, West Brooklyn, Byron and from St. Charles, Mo., were registered by Mrs. James Thompson, Dixon.

Mrs. Ray Krug was in charge of arrangements for the reception and was assisted by friends of the newlyweds' families.

Live in Dixon

A black and red silk shantung costume was worn with red accessories by the bride for their wedding trip. A 1959 graduate of Dixon High School, she is employed in the offices of the United States Fidelity and Guaranty Company, Dixon, where they are residing, and Mr. Bohn, a 1956 graduate of the Dixon school, is an employe of Lawton's Dairy.

Social Calendar

Club Notes

A public Harvest Bazaar and Tea is to be given by the Dorcas Society of the Church of God from 2 to 5 p.m. Tuesday in Loveland Community House.

Handmade articles suitable for Christmas gifts will be available and a bake sale will be included.

Bethel 59, International Order of Job's Daughters, will meet at 7 p.m. Tuesday in the Masonic Temple.

A scramble luncheon is planned for members of the First Christian Upstreamers' Class at noon Wednesday in the church.

New members are especially invited to attend a 6:30 p.m. scramble dinner for the Rock River Grange Wednesday in Loveland Community House.

A program to follow dinner will be given by Mrs. Harold Wendler on the Amana Colony in Iowa.

The executive board of the Lutheran Church Women, St. Paul's Lutheran Church, will meet in the Fireside Room of the church at 8 p.m. Wednesday.

Mrs. Lloyd Duffy, membership chairman, will be in charge of a program for a meeting of the American Legion Auxiliary at 8 p.m. Wednesday in the Legion Hall. Refreshments will be served at the conclusion of the meeting and program.

Mrs. Robert Batt, 1009 Chicago Ave., will be hostess to members of the Young Mothers' Club at 8 p.m. Wednesday.

A 12:30 p.m. luncheon in the Nachusa House is being arranged for Zion Household Science Club members for Thursday. Reservations for the luncheon should be made by Tuesday night with Mrs. Joseph Otten, 283-2904.

The Leaders' Club of the Dixon Girl Scout Association will meet at 1:15 p.m. Thursday in St. Luke's Episcopal Church. All leaders and coleaders are asked to be present for a Christmas workshop when holiday items to be used as troop projects will be displayed. A film on troop financing will also be shown as part of the program.

The United Foursquare Women are sponsoring the annual Family Night observance in the Foursquare Church at 6:30 p.m. Thursday. For the scramble dinner, members are asked to bring table service and food to share.

Special guests will be the Rev. and Mrs. Irwin Espeseth, Foursquare ministers of Oregon. Mrs. Espeseth is UFW secretary-treasurer for the Great Lakes District of Foursquare Churches.

The program will include films taken at the last Sunday School picnic.

The Altar and Rosary Society of St. Patrick's Catholic Church will sponsor a card party at 8 p.m. Thursday in St. Mary's School.

Club Has Program on Boys' Town

Mrs. H. M. Grafmiller, Springfield, entertained members of the Dixon Woman's Club Saturday afternoon in Loveland Community House with a vivid description of activities and facilities at Boys' Town of Illinois located near Grafton.

The speaker, who serves as state Federation chairman of Boys' Town, was assisted by Mrs. Ruppert Mapes, Davis Junction, 12th district chairman, who showed slides of scenes photographed on the grounds of Boys' Town.

Pictures of Lincoln Lodge, a dormitory built and maintained by the Illinois State Federation of Woman's Clubs, were included. Boys who live at Boys' Town are wards of the courts who have been removed from their homes because of poor conditions or other troublesome factors and are between the ages of eight and 17. Houseparents reside in the cottages to discipline the boys and maintain a home-like atmosphere. Classes in the school which is supervised by the Jersey County board, are taught by qualified instructors who give individual attention and special tutoring.

Pictures illustrating Mrs. Grafmiller's lecture were taken at various times of the year, including Christmas which is annually observed with traditional and religious festivities. The boys are allowed to have pets and care for vegetable and flower gardens on the grounds, and each one follows his own religious faith.

Mrs. Mapes announced plans for a spring bus trip for club women and interested friends which will include a tour of Boys' Town and invited Dixon clubwomen to join those of District 12 in making the trip.

Mrs. Grafmiller and Mrs. Mapes were introduced by Mrs. Bruce Whites, member of the local club's Lincoln Lodge committee, and Mrs. Edward Hoyle, committee chairman, announced another drive to collect trading stamps to be used in securing needed equipment for Lincoln Lodge. Stamps are to be brought by members to the next meeting on Dec. 8.

Mrs. Francis Waytenick introduced Miss Debbie Stiles who offered two saxophone solos accompanied by Mrs. Dean Hey, and group singing was directed by Mrs. I. B. Potter with Mrs. Fred Krahler as pianist.

The Dec. 8 meeting in Loveland Community House is being arranged by the club's art department, and Mrs. H. A. Lazier, chairman, announced the program, "Confusion in Color," would be given by Harold L. Johnson, Clinton, Iowa, photographer.

Introduced as new club members by Mrs. Norman W. Dietrich, membership chairman, were Mrs. Neil Stewart and Mrs. C. E. Schrock.

Miss Skoglund Is Bride-Elect Of Mr. De Gryse

MISS JOYCE SKOGLUND

ROCHELLE — Mr. and Mrs. Leonard Skoglund, Rochelle, are announcing the engagement of their daughter, Joyce Anne, to Charles William De Gryse Jr., son of Mr. and Mrs. Charles W. De Gryse Sr., Evanston.

Miss Skoglund is enrolled as a junior in the National College of Education, Evanston, and her fiance, a graduate of Kendall College, is associated with the Evanston branch of the Northwestern Mutual Life Insurance Company, Milwaukee, Wis.

Their wedding is being planned for Thanksgiving Day.

Miss Challand Is Bride Of Kenneth Flewellin

SHABBONA—Altar arrangements of white chrysanthemums, gladioli and snapdragons were flanked by seven-branched candelabras holding white candles for the Nov. 3 wedding of Miss Jane Challand and Kenneth Flewellin Jr., held in Shabbona's United Church of Christ. Parents of the newlyweds are Mr. and Mrs. Floyd Challand and Mr. and Mrs. Kenneth Flewellin Sr., Shabbona.

Officiating clergyman for the evening double-ring service was the Rev. M. E. Hough, pastor of the church, and musicians were Mr. and Mrs. John Weaver, Sycamore, organist and vocalist.

Lace and Taffeta Gown

The bride, given in marriage by her father, wore a gown of re-embroidered Alencon lace and taffeta. Lace appliques encircled the scooped neckline and accented the full floor length skirt which featured a chapel train secured by taffeta cabbage roses. Her veil of imported silk illusion fell from a sequin and pearl studded Swedish crown, and she carried a cascade of Fuji chrysanthemums, pompons and foliage.

Identical frocks of cotillion blue satin were worn with matching pillbox hats trimmed with circular veils by Miss Janice Christensen, maid of honor, and Miss Nancy Norlin and Miss JoAnne Byers, bridesmaids. Their flowers were cascading bouquets of deep pink carnations.

Mr. Flewellin's best man was his brother-in-law, Keith Pfeifer, and Philip Challand acted as groomsman. Ushering was done by David George, Ronald Hammes and Richard Stokke.

For the wedding and church reception, Mrs. Challand wore a beige knit sheath dress with brown accessories, and blue accessories were chosen by the bridegroom's mother to accent her brown and blue brocade dress. Both wore cymbidium orchid shoulder corsages.

300 Reception Guests

Decorations in blue and white, selected colors of the new bride, trimmed the church dining room for the reception attended by 300 guests. A four-tiered cake and blue tapers in crystal holders centered the white linen covered refreshment table where guests were served by Mrs. Robert Schwab, Miss Diane Berg, Miss Marylee Challand, Miss Maureen Bland, Miss Diane Challand, Mrs. Daniel Herrmann, Mrs. Wilbert Herrmann, Mrs. Albert Pickwell, Miss Peggy Herrmann, Miss Vicki Herrmann, Miss JoAnn Hill, Mrs. Robert Jacobson, Mrs. Vern Berg, Mrs. Esther Nelson, Mrs. Morris Shrader and Mrs. Robert Stratton.

When the newlyweds, both graduates of Shabbona High School, left on a honeymoon to Ft. Worth, Tex., the bride was wearing a sheath dress of ice-blue wool with black accessories and a corsage of pink carnations. She is a senior student at St. Luke's Hospital School of Nursing, Chicago, and her husband attended DeVry Technical Institute, Chicago.

Guests traveled to Shabbona for their wedding from Chicago, Sterling, Elgin, Rockford, Aurora, Rochelle, Earlville, Woodstock, Sycamore, Urbana, Normal, Peoria, Champaign and from Gary, Ind.

American Party System All Gummed Up

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Last week's elections demonstrated once again that the Republican party nationally is strictly a minority party.

The voters, as they have for 30 years with only two exceptions, showed no confidence in letting them run Congress.

But, if it's comfort to the Republicans, the Democrats are a kind of political myth. They parade under one banner, but are sharply and painfully divided into Northern and Southern Democrats.

In short, the American political party system is all gummed up.

Before election Democrats controlled Congress by overwhelming majorities. After election they still had overwhelming majorities in both houses. All the election did was confirm their control.

Demos Gain

The Democrats even gained four Senate seats while the Republicans were able to capture only two in the House. Now the score in the Senate is 68 to 32 for the Democrats and, in the House, 259 to 176.

There was the usual deluge of post-election analyses. This time the emphasis was on whether President Kennedy, who had asked for even more Democrats, could be considered a winner or loser.

There was only one real loser: the Republicans. They got one more crushing defeat. In the 16 national elections since 1932 the voters have given the Republicans a majority in Congress only twice: in 1946 and 1952.

In 1946 there was wide discontent with shortages and the remnants of wartime controls. In 1952 President Eisenhower carried his party to victory with him on his sturdy coattails.

But the voters quickly showed that they made a distinction between Eisenhower and his fellow-Republicans and by that they lacked confidence in Republican control of Congress.

They did it by putting the Democrats in control in the very next election, 1954, and every election since, including 1956 when they again elected Eisenhower in a huge turnout.

Painful

Painful as it must be to Republicans, this is not all. Even in the states the voters show a sharp preference for Democrats, as they did this year in the gubernatorial races by electing more than twice as many Democrats as Republicans.

A foreigner looking at the election returns might be mystified. While there are liberals in both parties, more among the Democrats than among the Republicans the broad base of both parties is conservative.

This is not all that makes for confusion to anyone looking for clear-cut differences between the parties. There is also a deep and damaging cleavage within the Democratic party between North and South.

The Southern Democrats are not only as conservative as the Republicans.

It was because they deserted Kennedy's leadership time and again to vote with Republicans against him that the President went out urging the election of more Democrats.

What he was looking for was more liberal Democrats to offset both the conservative Republicans and the conservative Democrats.

Indirect Admission

His campaigning was an indirect admission that even though the Democrats in Congress far outnumbered Republicans he still didn't feel he could get his programs unless he could get more Democrats, and liberal ones at that.

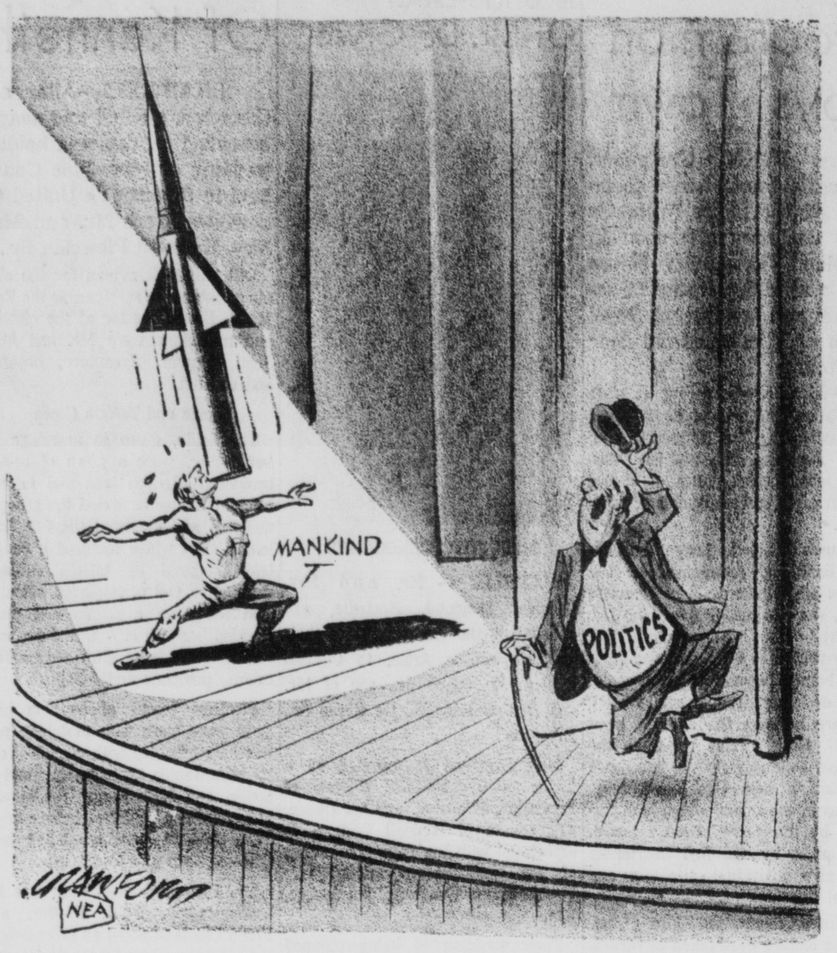
What the country really has is two parties that don't operate under their appropriate labels: liberals and conservatives.

If there could be a political rearrangement through which there would be a clear distinction between the two groups — liberals and conservatives — and perhaps under new names the voters would be able to give a sharper indication of which way they want to go.

But the American political system is slow to change — even change names — so any prospect for a new alignment looks more like a problem for the voters of the 21st century to think about.

Stars in the American flag are five-pointed.

The Spotlight Shifts



Hal Boyle Opens His Mail

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

There are about 35,000 U.S. marriages each year with one or both partners 65 or older.

The older they are, the more likely they are to choose younger mates. Among bridegrooms in the 75-and-up bracket, 12 per cent picked brides at least 25 years younger; 18 per cent of brides in the same age group wed men 10 or more years younger.

It's against the law in the Sudan to send leeches through the mails.

The oldest tomb to unknown American soldiers is in Trinity churchyard in New York City. Called the "Martyrs' Monument," the tomb honors American troops who died in British prison camps during the Revolutionary War.

Researchers have discovered that the tears a woman sheds when emotionally upset are chemically different from those she weeps while peeling onions.

The New York Telephone Co. reports some novel uses for its massive Manhattan directory, which runs to nearly 1,800 pages. A young baseball catcher threaded rope through one and employed it as a chest protector. A South American banana firm bought old directories to bullet-proof its trucks.

Highway safety signs: in Maryland: "Be late, Mr. Jones—not the late Mr. Jones." In Delaware: "Take your time, not your life Drive safely."

Many think Franklin D. Roosevelt invented the presidential press conference. Actually, Woodrow Wilson held the first general one in the White House on March 15, 1913, just 11 days after taking office.

Since the end of World War II, new life-saving drugs have reduced U.S. tuberculosis deaths by 83 per cent, influenza deaths, 90 per cent, and deaths from syphilis by 79 per cent.

America has about three-fourths of all the world's automobiles. There are twice as many cars in Los Angeles as in all South America.

It was Logan Pearsall Smith who observed, "When they come downstairs from their ivory towers, idealists are apt to walk straight into the gutter."

Cries made by bats to direct them in flight vibrate at 50,000 cycles per second, far above human ear range.

Things Dixon Talked About

(From the files of The Dixon Evening Telegraph)

10 YEARS AGO

Sharing news of home while on the front lines in Korea are Lowell (Bootie) Smallwood and LeRoy Halbmaier. Sons of Mr. and Mrs. Oscar Smallwood and Mr. and Mrs. Oswin Halbmaier, the boys are in the 45th Infantry Division of the U.S. Army. The boys have been friends since both lived in the Harmon area.

—o—

Congratulations to Stephen Tagge. Al Vandenberg presented to eight-year-old Stephen, a smart streamlined bicycle he won for sending in the best color drawing in the contest conducted by Vandenberg Paint Co.

25 YEARS AGO

Miss Thelma Swain, daughter of Mr. and Mrs. W. B. Swain, was the victim of a happy surprise party at her home last evening on the occasion of her 19th birthday. Twenty five of her young friends participated in the affair, during which Miss Thelma received a number of pretty gifts and the best wishes of her guests.

—o—

Eighty-five neighbors and friends of Mr. and Mrs. Harold Wright, newlyweds, made them the victims of a happy charivari and shower at the home of Mr. and Mrs. William Miller of South Dixon last evening, which brought to the young couple a huge basketful of useful and pretty gifts and the best wishes of their friends.

After a lot of noise and merriment Mr. and Mrs. Wright invited their friends into the house where the evening was spent in dancing and at cards. Later the host and hostess treated with ice cream and wafers, and then the bride had the pleasure of opening the many gifts and express personal and individual thanks for each. Mr. Wright also joined in expression of gratitude.

The Doctor Says

By WAYNE G. BRANDSTADT, M.D.
Written for NEA

Within a few days after a baby is brought home from the hospital, where he has had a perfect record of sleeping quietly between feedings, he may develop daily periods of crying. These bouts have worried, annoyed or angered parents and have puzzled doctors. Dr. T. B. Brazelton recently conducted a study of 80 babies to determine the reason.

The mothers were selected as being emotionally stable and relaxed. Fifty-two previously had a child. All kept a 24-hour record of the babies' crying for 12 weeks. Many of the mothers described the crying as whimpering or fussing and quickly learned to distinguish it from the cry of hunger.

In the second week of life the average total time spent in crying was 105 minutes a day. At six weeks the average had increased to 165 minutes, after which it tapered off and stopped by the end of the 12th week. The worst hours were 6 to 11 p.m.

I don't remember much about how I behaved in my first three months of life but I can imagine what it may have been like: "A strange man with a voice much harsher than mother's bursts into the nursery. Maybe he is tired and more than a little out of sorts or maybe he is in high spirits. In either case his presence is an unwelcome intrusion and I wish this disturber of the peace would go away.

"Mother, too, has had a hard day. She manages pretty well until after supper and then she just seems to come apart completely. Everybody's getting pretty edgy. Well, I might as well get into the act. After all, I haven't had a really good cry since this time last night!"

Dr. Brazelton thinks that it all starts with the mother, especially the mother of a first baby, worrying over a bout of crying for which there is no apparent reason.

But, the 80 mothers noticed that the crying was longer and louder whenever anyone in the household was emotionally upset.

With certain minor exceptions the pattern described fits that of a vague condition called, for want of a better term, colic. In colic the crying may be more intense and the baby may draw up his arms and legs and get red in the face.

Many authorities conclude that periodic crying and colic, if not the same, are closely related.

Sometimes a change in the feeding formula brings an improvement, but more often it has no effect. Frequently the use of a pacifier shortens the period of crying. Although some doctors do not approve of pacifiers, most are becoming more tolerant of them, especially when the results are good. A reassuring fact is that even babies who cry the most appear to be thriving and are quite happy in the mornings.

The most important advice I can give to mothers whose newborn infants spend two to four hours a day crying is to remember that the crying will not hurt the baby. In fact, a certain amount of crying is a beneficial exercise at this age.

Whatever the cause—and some authorities believe it is simply immaturity of the baby's nervous system—it will stop about the 12th week. And most important of all, the calmer everyone is in caring for the baby, the less intense the crying will be.

Dear Ann:

By ANN LANDERS

Dear Ann Landers: You are all wet about wife-spanking. I've been spanking my wife for 10 years and I'm no bully.

I adore the little woman and would never strike her in the face, or cheat on her the way some so-called wonderful husbands cheat on their wives.

Women are not as smart as men and they need guidance. A female who is left to her own devices has a tendency to develop some mighty undesirable traits. A good hard spanking is the most effective method of correcting small faults before they turn into serious ones.

I know couples who argue for hours and nothing is ever settled. Long, drawn-out verbal battles can be nerve-wracking, and time-consuming. Nothing clears the air like turning a wife over your knee and giving her a good sound paddling. If more men tried it there would be fewer divorces in this country. — THE BOSS.

Dear Boss: If more men tried it there would be fewer men in this country. Not ALL women are lame-brained, lily-livered jellyfish like the pitiful creature you married.

Here and there you'll find a wife who won't stand for the 3-year-old child treatment. The husband who attempts to "guide" her with a paddle may get a little guidance himself—in the form of a healthy klop in the chops.

* * *

Dear Ann Landers: I'd be delighted to change places with that Michigan mother who complained because the women in her neighborhood shout like fish wives when they want their children to come home. The ear-piercing "Bonn—nnn—iee—eee" and "Larr—re—eeee" would be music to my ears.

The mothers in my neighborhood turn their kids loose in the morning and don't give them another thought. The youngsters who play with my children act like homeless waifs, come lunch time, nap time and even dinner time. Can you imagine a mother not knowing or caring where her 4-or-5-year-old child is for five or six hours?

I'd be happy to supply the mothers in my neighborhood with cowbells, triangular gongs and even duck calls if they'd use them. I am weary of running a free nursery.

—FED UP WITH THE NEIGHBOR'S CHILDREN

Dear Fed: I'd like to suggest a solution even though you didn't ask. Come lunch time, nap time or what-have-you, escort the little guests home and deliver them personally to mother. Tell her you are sure she must have been worried sick. It shouldn't take more than two such trips to wake up the most apathetic mother.

There follows another approach—and a good one.

Dear Ann Landers: In regard to those shrieking mothers, if they'd use their brains instead of their vocal cords, everyone in the neighborhood would be better off—including their children.

Why can't a mother say to her youngster, "Where are you going? It is 1:30. I want you back here at 4:00 o'clock. If you're not back on time you can't leave the yard tomorrow." She should then tell the child to ask an adult to please let him know when it is 4 o'clock because he is expected home at that time.

This is an excellent way to teach youngsters responsibility. The burden of getting home on time should be on the child and not on his mother or the parent of the children with whom he is playing.

—AGAINST BELLS, GONGS AND WHISTLES

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Rochelle

Third of Travelogues Is Tonight

ROCHELLE — The third program in a travelogue, sponsored by the Rochelle Rotary and Kiwanis Clubs, will be held tonight in the Central School gymnasium. The title of the program is "Norway, Changing and Changeless," and will be a color film with the narration by Hjordis Kittel Parker, a native of Oslo, Norway.

The film will consist of sequences on mountain climbing, salmon fishing, nomadic Laplanders of the Far North, majestic fjords and other scenic splendors of Norway. Also scenes in the industrial plants and on farms of the Scandinavian country, and a thrilling ski jumping contest.

The program will open at 8 p.m. and single admission tickets will be available at the door.

Oldest overseas Parliament in the British Empire is the House of Assembly of Bermuda.

Ruth Millett

A recent news item says that "a stubborn 28 per cent of American husbands absolutely refuse to help their wives with the dishes."

Before that 28 per cent are labeled stubborn some more facts about them ought to be uncovered.

Does the husband who refuses to with the dishes have children who are old enough to help out in the kitchen? If so, perhaps he rightly thinks that they, instead of he, ought to be mama's little helper.

Has the husband who shuns dishwashing provided his wife with a dishwasher? If so, he probably considers that he is "helping" with the dishes when he provides his wife with an electric helper.

Is the wife of the husband who won't either wash or dry the dishes a full-time homemaker? If so, her husband may quite naturally feel that if he doesn't expect his wife to bring home a pay check she shouldn't expect him to wear an apron around the house.

Is the husband who reads the paper while his wife does dishes alone still working as hard as ever at his job while his wife, with the children grown and gone from home, has had her job considerably lightened? If so, the poor husband probably needs his rest more than his wife needs help in the kitchen.

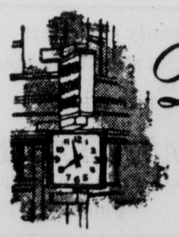
There are many reasons why a man might refuse to be a sink assistant that have nothing to do with "stubborness."

In fact, there are probably as many reasons why one husband might think he isn't needed at the kntchen sink as there are reasons why another would feel guilty if he didn't lend a helping hand.

Headquarters for FAMILY BANKING

We believe families are the foundation of community life. And we believe a community bank, such as ours, should offer a full family service.

Here you'll find friendly, considerate attention to the needs of every member... from youngest to oldest. Come in together—any time. A warm welcome awaits you!



Dixon National Bank

The Friendly Bank with the Revolving Clock

Since 1871 Dedicated to Serving You and Your Community

DOTTIE DIXON'S DIARY

Mr. and Mrs. Edward Jankowski and son, Richard, 610 E. Third St., were Sunday visitors in River Forest where their daughter, Peggy, a 1962 graduate of Dixon High School, is a student at Rosary College.

Mr. and Mrs. Ronald LeFever, Rock Island, announce the birth of a daughter, Renee Carol, born Nov. 9. The former Dixonites also have a two year old son, Brett.

Mr. and Mrs. Ralph LeFever, Dixon, are the paternal grandparents and Mr. and Mrs. Elmer Carlson, Monmounth, the maternal grandparents.

——dd——

GENE LEBRE SERVICING TV and radios, all makes. Formerly with Dixon Appliance Co., 14 years experience, 714 1st St., Phone 284-9181.

——dd——

Ed Gasser, son of Mathilda Gasser, 723 E. Chamberlin, recently published an article in the State Press, the official newspaper of Arizona State University, Tempe, Ariz., regarding the production of life saving anti-venom for scorpion bites.

The poisonous animals research laboratory at the university purchases large quantities of live scorpions which are "milked" for their venom. In a special process the tiny drops are dried to a powder which is then used to make another solution. This mixture is injected into live cats to produce antibodies in the blood. Small amounts of the blood plasma is used to make a human serum effective against scorpion stings.

——dd——

Larry Miller, son of Mr. and Mrs. George E. Miller, Rt. 3, has been selected a member of the Carthage College Madrigal Singers at the Kenosha, Wis., campus of the Lutheran school.

Four women and four men were selected from the special acapella group after qualifying for the 80-voice college choir. The Madrigals will present concerts and sing for clubs, churches and other organizations in the Kenosha area.

If you have entertained friends and relatives recently or traveled out of town, call Dottie Dixon and have an item included in her daily column. The number to call is 282-1111.

New Families In Rochelle

ROCHELLE — The Rochelle Welcome Neighbor Club has reported that 17 families moved to Rochelle during the month of September—Mr. and Mrs. Melvin Peters from Milwaukee, Wis., Mr. and Mrs. O. J. Taylor and daughter and three children from Des Moines, Iowa; Mr. and Mrs. Dennis Drier from Postville, Iowa; Mr. and Mrs. Edward J. Baenkes from Milwaukee, Wis.; Mr. and Mrs. Gerald Elliott from Rockford; Mr. and Mrs. Elmer Fricker and two daughters from Milwaukee, Wis.; Mr. and Mrs. John W. Manning from Wilson, N. C.; and Dr. and Mrs. Vincent Skovajas from Sauk Rapids, Minn. The husbands of these families are employed by Swift and Company. Mr. and Mrs. Richard Rink from Dixon—he is a student at Northern Illinois University at DeKalb and Mrs. Rink is employed by Swift and Company; Mr. and Mrs. Mike Cassidy and son from LaMoille—Cassidy is employed at Ken's Barber Shop; Mr. and Mrs. Irvin Schofield and three children from Roodhouse—Schofield is employed by Morgan Dye; Dr. and Mrs. William Phillips and two children from Chicago—Dr. Phillips has purchased the optometrist practice of Dr. James Hetzel; Mr. and Mrs. Thomas Wells from Rockport, Ind.—Wells is a linotype operator at the Rochelle Printing Co.; Mr. and Mrs. Dennis Benhoff from Rockford—Benhoff is employed at Gleichman Pharmacy; Mr. and Mrs. Larry Walters and three children from Rockford—Walters is employed by Bell Telephone Company at Rockford; the Rev. and Mrs. Amos Leford and three children—Rev. Leford is minister of the Church of God; and Mr. and Mrs. Harles Halweg and daughter from Waupaca, Wis.—Halweg is employed as a linotype operator at Rochelle Printing.

FLUSTERED FATHER

PHOENIX, Ariz. (AP)—Mrs. Dalphine Bailey, a nurse at the Williams Air Force Base hospital, received an emergency call from a prospective father.

During the conversation, Mrs. Bailey asked, "Is this her first baby?"

"Oh no," the caller replied, "This is her husband."

A firkin is a measure of capacity, usually one-fourth of a barrel.

Poloans Are Entertained Friday Night

POLO—Mr. and Mrs. Ralph Avey entertained the following group Friday evening; Mr. and Mrs. Cloyd Pieper, Mr. and Mrs. Lester Johnson, Mr. and Mrs. Joe Powell, Mr. and Mrs. Carl Powell, Mr. and Mrs. Herbert Coffman, Mr. and Mrs. Henry Kitzmiller, Mrs. and Mrs. Clarence Schildt and Mr. and Mrs. Edwin Ports.

In 500, high scores were won by Mrs. Johnson and Edwin Ports. Receiving low scores were Mrs. Ports and Clarence Schildt. Mr. Kitzmiller received the special prize.

Refreshments were served.

* * *

The November Fellowship supper of the Christian church was held at the church Friday evening with about 60 in attendance. Hostesses were Mrs. Clark Huyett, Mrs. Ed Murney, Mrs. Harry Boom, Mrs. Ed Wragg and Miss Mabel Higley.

An escalloped turkey supper was enjoyed after which a program was given consisting of group singing and a TV program, with various members participating. Accordion music was furnished by Carolyn Huyett, and Gregory Paul played a cornet solo. A kitchen band was also enjoyed.

Rev. James Cunningham, in behalf of the group, presented Mr. and Mrs. Robert Bender and family with a farewell gift. They are moving soon to Rockford to make their home.

Twenty two were in attendance when the Edith Eykamp group of St. Mark's Lutheran Church met at the church Friday afternoon with Mrs. Clyde Rees and Mrs. Ralph Stuff as hostesses.

Mrs. H. O. Tiegen was devotional leader, Miss Norma Poole showed a film and the program was given by Miss Lydia Wolf, after which refreshments were served.

Miss Rosalie Boward, who is employed in Freeport, spent the weekend at her home.

Weekend guests in the home of Mr. and Mrs. Harry Boom were the his brother-in-law and sister, Mr. and Mrs. Lyle Harms and family, Monroe Center.

Mrs. Joe Payne and Mrs. Warren Mead visited in the home of the former's son-in-law and daughter, Mr. and Mrs. Raymond Levan, Sterling, Thursday afternoon.

NEWS of the NATION

SEATTLE (AP) — The International North Pacific Fisheries Commission, set up in accordance with a treaty entered into by Japan, Canada and the United States in 1953, opens its annual meeting here today.

PITTSBURGH (AP) — Economic change is the greatest challenge to the church next to the threat of an annihilating war, delegates to the National Council of Churches Conferences on the church and economic life said Sunday.

NEW YORK (AP) — The American Civil Liberties union was to ask the U. S. Court of Appeals here today to restore American citizenship to Milwaukee-born Herman F. Marks, 40, who served in Fidel Castro's revolutionary army and later became the Cuban premier's chief executioneer.

BATON ROUGE, La. (AP) — W. R. Pierson, president of the General Gas Corp., reported today earnings of the firm for the first nine months of 1962 were $368,063, or 23 cents a share, on sales of $18,605,520.

LA PORTE, Ind. (AP) — Cyrus R. (Cy) Parker, 61, a staff member of Radio Station WLOI since it first went on the air in 1948, died Sunday in Holy Family Hospital.

NEW YORK (AP) — A small, single-engine plane lost oil pressure and went down in shallow water off Staten Island Sunday. Police said the pilot and three occupants escaped serious injury.

SEATTLE (AP) — Secretary of the Interior Stewart L. Udall opposes any major changes at present in the tripartite fisheries treaty signed by the United States, Japan and Canada in 1953, Sen. E. L. Bartlett, D-Alaska, said Sunday night.

UTICA, N. Y. (AP) — Thomas C. O'Donnell, a retired editor and author, died Sunday at the Masonic home here after an illness of a month. He was 81.

Gas makes it easy to heat any extra room economically

Choose from any of these five modern gas room heaters for the fast, dependable heat you need in that extra room. All are handsome and compact . . . require no chimney . . . use no room oxygen (air is drawn in from outdoors into sealed combustion chamber). Ideal for attic area, breezeway, closed-in porch or garage. All operate with typical gas economy.

1. Suburban Novent installs in window or wall. Completely automatic with built-in forced warm air circulation system.

2. Stewart-Warner Saf-Aire can be recessed in either masonry or frame walls. Operates as a self-contained unit . . . will not affect any other heaters.

3. Peerless Uni-Matic can be used on any outside wall. Can be located beneath most windows to provide free arrangement of furniture.

4. Chill Chaser by Thermal Specialties is a hot water room heater with compact built-in pump. Ideal for any hard-to-heat area—requires no vent.

5. Temco is ideal for heating large areas. Unit rests on floor and fastens to wall with two screws. Also may be used for summer ventilation.

For the right gas room heater for your needs, see your local heating contractor or stop at your Northern Illinois Gas Company store.

Taylor Scores 4 Touchdowns

By The Associated Press

Jim Taylor, the Green Bay Packers' fullback, built like an army tank and combining its firepower and mobility, is hurtling along toward a pair of National Football League records that may substantiate his own judgment that he is a better fullback than Cleveland's Jimmy Brown.

Taylor scored four touchdowns for the second straight game Sunday and upped his league-leading ground gaining total to 1,075 yards in leading the defending champions to a resounding 49-0 victory over the Philadelphia Eagles, a team that had beaten this same group of Packers for the 1960 title.

But Taylor, who wants nothing more than to be recognized as a better fullback than Brown, has drawn a bead on the Cleveland star's season ground-gaining record of 1,527 yards which he set in 1958, the season he led the NFL with 18 touchdowns. This latter record is shared by Steve Van Buren and Elroy Hirsch.

In pacing Green Bay to its ninth win without a loss this season, and 17th in all competition since last season, Taylor has amassed 14 touchdowns to add the current leadership to his ever-growing list of credits.

The victory kept Green Bay all alone atop the Western Conference, with perhaps a second title match in a row in store with the New York Giants. The Giants stayed a full game in front of the Eastern Conference with a 41-10 victory over the Dallas Cowboys, which second-place Washington defeated Cleveland 17-9. New York is 7-2 and the Redskins 5-2-2.

Pittsburgh (5-4) stayed in the Eastern fight with a 27-17 win over the St. Louis Cardinals. Dallas and Cleveland are all but finished with 4-4-1 records.

Detroit remained two games in back of the Packers with a 38-24 win over the San Francisco 49ers in the diminishing Western race. Baltimore handed Los Angeles coach Harland Svare his first loss 14-2 and Roger LaClerc's 17-yard field goal in the final 13 seconds pulled the Chicago Bears over Minnesota 31-30.

Quarterback Y. A. Tittle, halfback Frank Gifford and end Del Shofner, plus the loss of Eddie LeBaron did in the Cowboys. Tittle upped his league-leading passage yardage to 2,331 with 315 and his TD passing lead to 22, hitting Shofner twice and Gifford once.

LeBaron was lost on the game's first series of plays and Don Meridith guided the Cowboys the rest of the way.

The Washington offense held Brown to only 27 yards rushing, and cashed in on three pass interference calls for touchdowns by Don Bosseler.

John Henry Johnson, the NFL's No. 2 rusher, gained 138 yards against the Cardinals (2-6-1) and scored the clinching TD in a 17-point fourth period.

Svare, who took over this week for Bob Waterfield, found his Rams (1-8) still punchless as they twice failed to score from inside the Colts 5-yard line. Johnny Unitas 233 yards passing led to both Baltimore (5-4) scores.

Residents Can Meet the Dukes Tuesday Night

'Meet the Dukes night' at Dixon High School will be held Tuesday at 7:30 p.m. in Lancaster Gym. Members of the Duke varsity and frosh-soph basketball squads, the coaching staff, and types of equipment will be shown by Dixon coach Will Valett. All Dixon residents are invited to attend the demonstration. A varsity intra-squad game will be held following the program.

HAPPY VICTORY — Walnut's Blue Raiders carried coach Bob Johns on their shoulders following their 25-13 victory over Manlius Friday night. The victory gave the Raiders a share of the South Blackhawk Conference championship. Both squads ended the season with an 8 and 1 record. Walnut's only loss this year was to Galva during homecoming.

NIU's Bork Rewrites College Record Books

DE KALB, Ill. (AP)—Junior quarterback George Bork of Northern Illinois University, a gangling blond with a wrist-snapping throwing action, has wound up the season by re-writing the collegiate passing record books.

With at least five catching specialists as targets, a gritty offensive line dedicated to his protection and a coach who gives him complete flinging freedom, Bork ended Northern's regular campaign with this astonishing aerial accomplishment.

Two hundred and thirty-two completions, 356 attempts, 65.1 completion percentage, 22 touchdown passes and 2,494 yards. All-time major records, whether it be for university or college divisions, fell before Bork's soft or hard, long or short tosses with the exception of throwing for touchdowns. That mark is 26.

Shattered were these season marks: 159 completions in 1951 by Don Klosterman of Los Angeles Loyola; 315 attempts by Klosterman; 2,325 yards gained by Don Gottlob, Sam Houston State in 1952; an accuracy percentage for 150 or more attempts of 64.1 by Paul Larson of California in 1954 and matched by Don Meredith of Southern Methodist in 1957.

Earlier, Bork set a single game completion record of 37 against Omaha.

As Northern routed LaCross, Wis. State College 50-7 Saturday, Bork fired 56 passes, hit on 33 for 433 yards and five touchdowns.

Another junior and basketball teammate of Bork's, 6-foot-6 Hugh Rohrschneider of Burlington, Ill., caught 13 tosses for a season total of 76. This erased the national record of 74 by Ken Gregory of Whittier, Calif., in 1960.

"With the bunch of receivers I've got and the protection I get, how can a guy miss?" says the 170-pound, 6-foot Bork of Mt. Prospect, Ill.

"My arm never gets tired during a game. It might be a little stiff on Monday, however. I'm constantly thinking of passing patterns. But as far as records are concerned, I look upon them as after effects of a game. The main thing is winning."

Northern Coach Howard Fletcher is unique in his profession.

"We have nothing on paper," he said. "I don't believe in diagrams or blackboard chalk talks. We practice only 1½ hours a day and do not scrimmage at all. We just go through our pass patterns in signal drills. My boys don't have to prove they are players every day. Our philosophy is play for fun."

Barnum Takes Cajun Classic With a 270

LAFAYETTE, La. (AP) — Big John Barnum has ended years of frustration with his first major tournament golf victory. In addition, the 51-year-old pro—known as a fine teacher of fundamentals — gave the youngsters a lesson in par-shaving.

He fashioned four sub-par rounds over the 6,555 Oakbourne Country Club course for a 72-hole total of 270 to win the $17,500 Cajun Classic Sunday. His was the lowest 72-hole score ever recorded for the tourney.

Playing his first golf in more than a month, Barnum, a tall husky man who many of the younger pros look on as a "father," equaled the course record Saturday with a 63 and then came back with a 3-under-par 69 to win the first prize of $2,400 going away.

Although Barnum, a Texan transplanted to Michigan, started playing in golf tourneys before many of today's fairway stars were born, he had never before won a major event.

Chicago Zephyrs Trip Lakers in Action Sunday

LOS ANGELES (AP) — The Chicago Zephyrs overcame Los Angeles' 14-point lead and beat the Lakers 109-105 in an overtime National Basketball Association game Sunday night before 8,650 fans.

The score at the end of regulation play was 96-96. But the Zephyrs, sparked by Walt Bellamy's six points, pulled away in the five-minute overtime to hand the Lakers their first home court loss of the season.

Late in the third period the Lakers held an apparently commanding 14-point lead, 68-54. But in the final period, Charlie Hardnett and Terry Dischinger opened a torrid Chicago rally and melted the Laker lead.

Topscorer in the game was Los Angeles' Elgin Baylor with 42 points. West got 30. For Chicago, Dischinger was high with 30 and Bellamy scored 26.

Red Wings Top Rangers 3-2 Sunday; Hawks Win

By The Associated Press

The man who guides the National Hockey League leading Detroit Red Wings says part of the reason for his club's success this season is that masked goalie Terry Sawchuk has more confidence.

General Manager and Coach Sid Abel said today that perhaps Sawchuk "has a blind spot or two" because of the face mask "but he also has more confidence, and that's offset whatever physical handicap a mask might cause."

The New York Rangers, struggling to stay out of the NHL basement, for one hope Sawchuk never has more confidence than he had Sunday night at Madison Square Garden. Time after time, particularly in the opening period, the Rangers raced down the ice with a magnificent attack, and time after time, the 32-year-old goalie sent them away empty-handed.

The Red Wings, thanks to the goal-scoring prowess of Alex DelVecchio and Alex Faulkner, mastered the Rangers 3-2 in a see-saw affair that was marked by a general free-for-all in the second period.

The triumph, coupled with Toronto's 5-3 conquest of the Chicago Black Hawks, fattened the Red Wings' first-place advantage. Detroit has 21 points to 16 for the Black Hawks.

In Sunday's other encounter, Montreal, in fourth place, beat the last-place Boston Bruins 4-2.

Saturday's action saw Toronto down New York 5-3, Chicago beat Montreal 3-1 and Detroit and Boston battle to a 3-3 deadlock.

Carthage C. Redmen Win CCI Title

By The Associated Press

Carthage College not only won the College Conference of Illinois football championship but finished the 1962 season undefeated and untied with a 35-27 victory over Augustana Saturday.

The Redmen now have won 14 consecutive games over a two-year span and saw fullback Erv Olson score three touchdowns and gain 148 yards rushing in the season finale which gave Carthage a 9-0 record.

The loss dropped Augustana in a three-way tie for third place with Millikin and Wesleyan on the basis of 4-3 records. Carroll, which ends its CCI campaign against North Central this week, has a 4-2 mark and can finish second with a victory Saturday.

In other CCI games Saturday, Wesleyan crushed North Park, 30-0, and Millikin, finishing four straight victories, whipped winless Lake Forest, 20-7. North Central fell before Wheaton, 37-13, in non-league play.

Aside from the North-Central at Carroll encounter Saturday, Wesleyan is host to Illinois State and Augustana travels to Kalamazoo to wind up season activity.

CCI STANDINGS

	W	L	T	Pct.
Carthage	7	0	0	1.000
Carroll	4	2	0	.667
Augustana	4	3	0	.571
Millikin	4	3	0	.571
Wesleyan	4	3	0	.571
North Central	3	3	0	.500
North Park	1	6	0	.143
Lake Forest	0	7	0	.000

The San Francisco Giants took their season series with the New York Mets, 14 games to 4.

Here's How Top 10 Teams Fared

By The Associated Press

Here's how the nation's top ten college football teams fared Saturday:

1. Northwestern (6-1) lost to Wisconsin 37-6.
2. So. California (7-0) beat Stanford 39-14.
3. Alabama (8-0) beat Miami (Fla.) 36-3.
4. Mississippi (7-0) beat Chattanooga 52-7.
5. Texas (7-0-1) beat Baylor 27-12.
6. Arkansas (7-1) beat Rice 28-14.
7. Missouri (7-0-1) beat Colorado 57-0.
8. Wisconsin (6-1) beat Northwestern 37-6.
9. Louisiana State (6-1-1) beat Texas Christian 5-0.
10. Minnesota (6-1-1) beat Iowa 10-0.

NORTH SYDNEY, Nova Scotia — Blair Richardson, 160, Canada, stopped Vern Lemar, 157, Jersey City, N.J., 4.
MEXICO CITY — Fili Nava, 140½, Mexico, outpointed Erique Camarena, 138¾, Mexico, 10.
MANILA—Baby Lorona, 113¾, Philippines, stopped Singern Semanchai, 111¼, Thailand, 3.
TOKYO — Hoshinori Takahashi, 144, Japan, stopped Billy Burk, 147, Phoenix, Ariz., 3.

Canada Cup Tourney

U.S. Team Scores 3rd Straight Win

SAN ISIDRO, Argentina (AP)—The United States possessed its third straight Canada Cup golf crown today but the American tandem of Arnold Palmer and Sam Snead almost lost it on the treacherous 10th hole of the Jockey Club course.

Hole No. 10 is a par 4, 466-yard dogleg to the right which appears harmless enough but is lined with hidden obstacles.

It was there that Palmer three-putted for a bogey 5. Snead did even worse. The slammer from the West Virginia hills hooked his drive near the towering pine trees slammed an iron shot over the back of the green, hit a bank trying to reach the velvet and wound up with a 6.

Argentina's Roberto de Vincenzo won the individual championship with a final round 68, two under par for the 6,746-yard layout.

Snead, who had led the tournament during its first three days, skyrocketed to a closing 74 Sunday firing four bogies in addition to the double bogey.

Palmer's 1-under-par 69 protected the lead of the Americans, who finished with an over-all score of 557 for the 72-hole test for the cream of the stars from 33 nations. The grand total left Palmer and Snead two strokes ahead of De Vincenzo and Fidel DeLuca who fashioned a 559 total.

Australia trailed the Argentines in third with 569. England was fourth with 572 and France fifth with 585.

Michigan State will play host to the 1963 Big Ten fencing and gymnastics championships.

Clay-Moore Fight Set For Thursday

By The Associated Press

This is the week of the "big wind" from Los Angeles. Cassius Clay, the brash young heavyweight from Louisville who calls the round for all his victims, bumps up against ancient Archie Moore, the goateed philospher from San Diego.

The pre-fight conversation has been so good that it almost is a shame to make them step into the ring. They will have a hard time living up to their advance notices.

"Moore will fall in four," Clay has said over and over.

"Don't you get tired listening to yourself?" Moore recently asked, wearied of listening to such comments. Earlier he had promised to loosen his latest weapon—the "lip buttoner" on Clay.

They are due to go 12 rounds but that is doubtful. Clay says four and Moore isn't used to going the route any more. If it isn't good, it should be loud.

The fight is scheduled for Thursday night.

Three Teams Still In Race for Title

By The Associated Press

With Northwestern's pleasant dream suddenly turned into a nightmare, the race for the national college football championship today had narrowed down to three teams—Southern California, the Big Six powerhouse, plus Alabama and Mississippi, the wreckers from the Southeastern Conference.

The West Coast hasn't produced a national champion since 1939 when another Southern Cal team went all the way.

This Saturday, they clash with Navy. Then, on successive weeks, they meet UCLA and Notre Dame. They'll be heavily favored in all three, especially after putting Stanford through a 39-14 meatgrinder last Saturday.

Southern Cal, Alabama and Mississippi are three of the four undefeated untied major powers in the country. Both Southern Cal and Mississippi have won seven, while Alabama has trampled eight foes.

Alabama, long accused of scheduling weak foes, trounced Miami (Fla.), 36-3, Saturday and figures the criticism should stop once and for all. Ole Miss dumped Chattanooga, 52-7, in nothing more than a good workout.

As for Northwestern, all is not lost for the Wildcats. They still have a chance of finishing in front in the Big Ten race and making the Rose Bowl trip. At the moment, Northwestern, Wisconsin and Minnesota are tied for the lead with 4-1 records. Purdue is 3-1.

Actually, Wisconsin has the inside track. Both the Badgers and Minnesota play seven league games, one more than Northwestern and Purdue. Minnesota is ineligible, having played in the last Rose Bowl game. So if the Badgers can get past Illinois and Minnesota, their final two opponents, they're in.

Northwestern is No. 1 in the current Associated Press poll, but is certain to tumble. Southern Cal is No. 2, followed by Alabama and Mississippi.

Texas, No. 5, unbeaten and tied only by Rice, is just about ready to start selling tickets to the Cotton Bowl as Southwest Conference champion. The Longhorns beat Baylor, 27-12, Saturday and now only have to sail past Texas Christian and Texas A&M to wrap it up.

Arkansas, No. 6 in the poll, and once-beaten by Texas, is almost certain to get a bowl bid when everything is untangled.

Missouri, No. 7, clashes with Oklahoma this Saturday and the winner probably will win the Big Eight championship and head for the Orange Bowl. Missouri, like Texas is undefeated but tied. However, Oklahoma, although beaten twice in outside competition, is 4-0 in the league, which matches Missouri. The Tigers sailed past Colorado, 57-0, and Oklahoma whomped Iowa State, 41-0, Saturday.

Elsewhere, Duke took the driver's seat in the Atlantic Coast Conference and a likely bowl bid by edging Maryland, 10-7, and Penn State, deflated by Army earlier in the season, moved back as the No. 1 team among the Eastern independents with a solid 34-6 decision over West Virginia while the Cadets were going down to a 12-7 defeat by Oklahoma State.

C. Michigan Wins IIAC Championship

By The Associated Press

Central Michigan is the football champion of the Interstate Intercollegiate Athletic Conference but runnerup Northern Illinois had its moment of glory mainly because of the passing wizardry of George Bork.

Central Michigan defeated Eastern Illinois, 35-23, for its first IIAC title in six years as fullback Bill Shuple carried the load in the clinching triumph.

Shuple gained 204 yards in 18 carries as the Chippewas scored their sixth straight victory after four successive non-conference losses.

Northern Illinois, which lost to CMU, 35-27, two weeks ago, clobbered LaCrosse, 50-7, with Bork putting on another passing exhibition which has gained him unprecedented laurels.

Northern finished second to Central Michigan in the IIAC and Western Illinois took third place with a 34-21 victory over Illinois State.

Conference competition has ended for the season but a couple of teams have unfinished football business. Western Illinois plays at Bradley and Illinois State at Illinois Wesleyan Saturday to wind up the campaign.

IIAC STANDINGS

(Final)

	W	L	T	Pct.
Central Mich.	4	0	0	1.000
Northern Ill.	3	1	0	.750
Western Ill.	2	2	0	.500

Dozen Killed on Illinois Roads

By The Associated Press

At least a dozen persons lost their lives on Illinois highways during the weekend.

One accident, near East Peoria Saturday, killed two men. The crashes claimed one life each.

The Associated Press counted traffic accidents involving loss of life from 6 p.m. Friday, Nov. 9, to midnight, Sunday, Nov. 11.

Collision of an auto and a milk truck a mile north of East Peoria killed Wayne E. Lubitz, 23, of Creve Coeur and Gary Young, 22, of Peoria.

James Degner, 23, of Columbia died Sunday when he was thrown from an auto which had smashed into a trailer truck north of Dupo. An Allerton man, Kenneth Hanner, 20, was killed Sunday when his car struck an abutment of a bridge on the Perrysville Road east of Danville.

A Springfield, Ohio man was killed Sunday in a headon crash. George Miller, 37, died when his car and a truck tractor, pulling two trucks piggyback fashion, collided west of Champaign.

In Waverly, Mrs. Cecile M. Richardson, 56, was killed. She was a passenger in an auto Sunday which struck a parked truck. Mrs. Richardson lived in Waverly.

Two Chicago men were killed on the city's Southwest Side in separate accidents Sunday. Heinrik Schleffendorf, 22, died in a headon collision. Milivoje Misic, 48, lost his life when a car in which he rode crashed into the side of a grammar school.

John L. Landes, 40, of Bellevue died Saturday in Peoria. His motorcycle and a car collided.

Two miles west of Peoria Saturday, a car crashed into a runaway horse. The driver, Harold Van Houton, 51, of Elmwood died when the car careened into a building after striking the horse. The horse was killed.

Nine-year-old Herbert Luckey of Curran was struck and killed by an auto as he played in front of his home Friday night.

Clarence B. Summers, 64, of Charleston, died in an auto collision on U.S. 40 in St. Elmo Friday night.

Franklin Soldier Shoots in Arms Match in Italy

VICENZA, Italy — Army Specialist Four Norman L. Bonnell, 22, son of Mr. and Mrs. Frank D. Bonnell, Rt. 1, Franklin Grove, recently took part in the 1962 Vincenza Military Post rifle and pistol matches in Italy.

The annual small-arms matches are conducted to improve individual marksmanship.

Specialist Bonnell, who arrived overseas in May 1961, is a wireman in the 1st Missile Battalion of the 80th Artillery in Vicenza. He entered the Army in December 1960 and completed basic training at Fort Leonard Wood, Mo.

The 1959 Franklin Center High School graduate was engaged in farming prior to entering the Army.

Winfield, Scott City and Fort Scott, Kan., are all named for Gen. Winfield Scott, famed figure of the Civil and Mexican Wars.

Scientist Fears Gap In Culture

CHICAGO (AP)—A leading scientist who fears the cultural gap between scientists and non-scientists is widening tried to set these facts straight today:

That true scientific discoveries do not include such things as developing an electric toothbrush or a new color detergent or transmitting stereophonic music over radio.

Said Dr. A. V. Crewe, director of the Atomic Energy Commission's Argonne National Laboratory:

"These and a hundred other examples from everyday life are not science in any true sense of the word. They are small, trivial and nonsensical advances in technology made possible by science. Most often, they are commercial gimmicks used by highly competitive industries to make their products unnecessarily different. The 'science' involved is covered by high school textbooks and is well established."

Misuse

Crewe said in a talk prepared for the City Club of Chicago that misuse of the term science diverts interest from true science. He added:

There are congressmen who have termed scientific research 'junk' and requests for support of scientific research have, in recent weeks have been cut drastically on the grounds that 'these people should be doing something more useful'."

He said true scientific research is advancing so rapidly there is danger of losing track of it. And, he added, scientists are finding it more and more difficult to explain to the nonscientists what they are doing.

Must Revise

To correct, this, he said, scientists must make greater effort to communicate with the rest of the population. Educators must continually revise the content of all courses to cover the mounting total of material. All persons must continually educate themselves on the facts, the theories and the changing face of science.

"If we fail to do this, we shall indeed have two cultures," he said. "Those who practice science will be able to communicate effectively only with other scientists, and the rest of the population will live in a world of magic—a world of devices, gadgets, appliances and structures which are not understood by them and which are provided by the other culture."

Crewe said science ranges from basic research to add to the store of human knowledge to applied research and development.

Most of the nickel output of the free world is produced by Canada.

Nelson Pupils Collect Funds For UNICEF

NELSON — The following students of the 5th and 6th grades of the Nelson school, solicited for UNICEF; Ruth Moeller, Paula Janssen, Barbara Knight, Melva Nelson, Janice Lewellan, David Baker and Steve Whitver. They collected $13.75. Mrs. John Moeller was in charge of the project.

Mr. and Mrs. Sam Crady entertained with a fish fry, Mr. and Mrs. Donald Baker and family, Mr. and Mrs. William Miller and family, Mrs. Daniel Todhunter, Mr. and Mrs. Leo Todhunter and daughters, Nelson, and Mrs. Glenn Holdaway, Como.

Mrs. Lloyd Bedeger and children, Clinton, Iowa, recently visited her brother and family, Mr. and Mrs. Larry Nelson.

Ms. Victoria Bevilacqua entertained at dinner, Sunday, honoring Miss Pamela Witzleb, Omaha, Neb. Guests included: Miss Gilda Bevilacqua, Rockford; Mr. and Mrs. Oscar Witzleb, and family, Mr. and Mrs. William LaFever and family, Dixon; Mr. and Mrs. Tony Bevilacqua and family, Gene and Tony Bevilacqua, Nelson.

Mrs. Allan Weber, who was recently dismissed from KSB Hospital following minor surgery, is convalescing at the home of her husband's parents, Mr. and Mrs. William Weber.

Mr. and Mrs. Charles Moats recently returned from River Falls, Wis., where they visited a week with his cousins, Mr. and Mrs. John Timmerman and family and Mr. and Mrs. George Timmerman and family.

Mr. and Mrs. Edward Hollenbeck, accompanied by Mr. and Mrs. Jerry Davis, Dixon, returned Sunday from a week end trip to Des Moines, Iowa, where they attended the "Toppers" party, sponsored by a feed company of Des Moines, which included all of the "top" salesmen of the company.

Mr. and Mrs. Loren Jeter have received a current publication of the children's magazine, "Humpty Dumpty," which included a story, "The Cat and the Fiddler," written by their daughter-in-law, Mrs. Harold Jeter under the penname of Jacky Jeter.

She has written several children's stories and also had two poems published while in college. Mr. and Mrs. Harold Jeter, with their three children, Micheal, Mark and Mary Ann, reside at Villa Park.

PENNY WISE

DES MOINES, Iowa (AP) — Brad Schnee of Des Moines spent a weekend with his grandmother, Mrs. Clema I. Junkin of Des Moines, and she put him in a taxi for the seven-mile trip home.

About halfway home, the 8 year old told the driver he had forgotten something very important—he wouldn't say what—and had to return to his grandmother's.

So, back went the cab, the meter ticking. Brad ran into his grandmother's house on his return there—to retrieve a 5-cent candy bar he had left in the refrigerator.

Carnauba wax is produced only by the Brazilian wax palm.

Walnut Junior Woman's Club Holds Meeting

WALNUT—The November meeting of the Walnut Junior Woman's Club was held Wednesday evening in the Christian Church social rooms.

Mrs. Harold Bohm opened the meeting with the pledge of allegiance and the Junior Club pledge. Mrs. Evan Ewalt, Ohio, club advisor, offered a Thanksgiving prayer.

Before the business meeting Mrs. Bohn introduced the freshman girls sextette. The girls, under the direction of Mr. John Bolz, are Stephanie Lawrence, Bunni Peterson, June Hill, Sharon Anderson, Carol Benson and Sandra Durham, with Nancy Saunders as accompanist.

Mrs. Bohm reported on the 16th District Fall Council Meeting held in Winona and the Bureau County Fall Council Meeting held in Walnut.

Mrs. Bohm announced the Walnut Junior Club has entered the Community Improvement contest.

The Walnut Junior Club once again voted to help at the Sabin Oral Vaccine Program to be held Nov. 18 at the grade school cafeteria.

Mrs. Roy A. Atherton gave a report from the executive council. A fashion show will be sponsored by the club sometime in March. Further arrangements of date, time, and place will be made by Mrs. Atherton and her committee.

Co-chairman for the event are: models: Mrs. Delbert Swanson and Mrs. Gerald Wilt; decorations, Mrs. Robert Leusinger and Mrs. John Keleher; tickets and posters, Mrs. Don Christensen and Mrs. Bill Peterson; music, Mrs. Clark Wolfe and Mrs. Marvin Carpenter; refreshments, Mrs. Robert Linley and Mrs. Donald Heaton; door prizes, Mrs. James Christiansen and Mrs. Lyle Schrader. Committees will be appointed later.

Mrs. Eugene Gugerty, member of the library board, reported on the progress of the new library plans and announced that "Friends of the Library" would be organized soon.

Mrs. Adrian Magnason introduced Mrs. Eugene Walters, art instructor at Princeton High School, who gave a chalk talk.

Before adjournment Mrs. Bohm welcomed Mrs. Richard Christiansen, Mrs. John Bolz and Mrs. John Chaplin into the Walnut Junior Womans Club.

Refreshments were served from a very attractive fall decorated table.

VATICUM VATICAN

Some scholars say the name Vatican is derived from a vanished Etruscan town called Vaticum, while others suggest that Vatican Hill was where a soothsaying king of legendary Rome declared his "vaticinia," or message from the gods about 60 B.C.

Hamilton to Leave Foreign Aid Post

WASHINGTON (AP) — Fowler Hamilton is leaving his post as U.S. foreign aid director. But before he steps down, he plans a European trip to try to coax other Western nations into giving more assistance to underdeveloped countries.

President Kennedy was reported searching for a successor to Hamilton, who handed in his resignation last week after little more than a year as head of the Agency for International Development—AID.

Heading the list of those being mentioned for the subcabinet job was Budget Director David E. Bell. Others included Kennedy's brother-in-law, Peace Corps Director Sargent Shriver, and Chester Bowles, presidential adviser on underdeveloped areas.

Associates said Hamilton, 51, intends to return to law practice in New York. He presided over some controversial changes in the foreign aid program and ran into personnel difficulties.

Before leaving his official position, Hamilton intends to make a two-week trip starting next Wednesday or Thursday. His mission is to try to convince several important industrialized countries they should carry a bigger share of the aid to backward areas.

Principal stops on Hamilton's tour are slated to be Paris, Rome, Bonn and Brussels.

LANGUAGE OF HOSPITALITY

TAVERNIER, Fla. (AP)—Four Cuban refugees who arrived by boat at this island in the Florida Keys thought they'd come to the right place when they spotted a motel with the Spanish name of "Bahia Lodge."

They were sure owners who'd selected such a name would speak their language so they presented themselves confidently to Mr. and Mrs. Bob Brunton. But it didn't take long to find out that "bahia"—which means "bay"—was about the only Spanish word the Bruntons knew.

The motel owners spoke the universal language of hospitality, though. They provided the Cubans with a good meal while they were awaiting arrival of a Spanish-speaking border patrolman.

REAL SURPRISE

DALLAS CENTER, Iowa (AP)—Lawrence A. Fox almost always is at his insurance office at 8 a.m. So, for his birthday, two office secretaries arranged a surprise party for 8:15 a.m.

Mrs. Fox, his parents and others were there on schedule. But not Fox. He decided to make a few business calls that morning before checking in at his office.

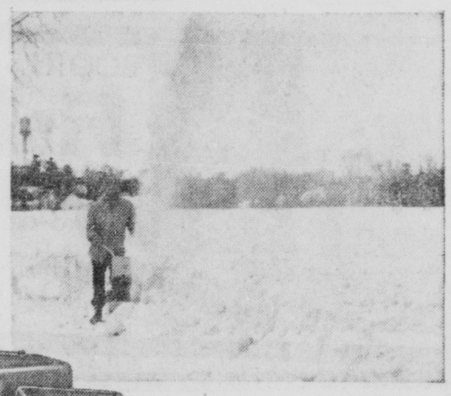
A REAL BLIZZARD BUSTER!
20" MOTO-MOWER
self propelled
SNOW THROWER



Handle controlled Swivel Chute
Moto-Mower Winterized Engine
Full 10½" Wheels
Full Chain Drive and a Centrifugal Clutch
High Speed Chain Driven Impeller

Rugged, powerful and built for winters that come early, stay late and play rough . . . that's the 20" Moto-Mower Snow Thrower. It has the important performance features you want.

ONLY $224.95
Other Models As Low As.. 184.95
Terms to Suit

Handle Controlled Swivel Chute gives full 180° throw direction . . . lets you throw the snow where you want it.
MOTO-MOWER Winterized Engine has 4½ rugged horsepower. Full float feed carburetor and mechanical governor gives full, dependable power under the toughest conditions.
High Speed Chain Driven Impeller handles up to 18,000 cubic feet per hour. It does not bog down in heavy or wet snow . . . has center discharge to permit controlled throw up to 25 ft.
Full Chain Drive and a Centrifugal Clutch combine for strength and safety . . . prevent impeller damage when striking solid objects.
Full 10½ wheels with deep tread tractor tires grip and drive in heavy snow. Chains available for steep inclines or ice.

SPECIAL ASSESSMENT NOTICE
STATE OF ILLINOIS)
) SS
COUNTY OF LEE)
IN THE COUNTY COURT
OF SAID COUNTY
IN RE: PETITION OF THE CITY OF DIXON, ILLINOIS, FOR SPECIAL ASSESSMENT UNDER LOCAL IMPROVEMENT ORDINANCE NO. 353, SERIES OF 1961.
NO. 61C303
NOTICE OF FILING OF CERTIFICATE OF FINAL COSTS

NOTICE IS HEREBY GIVEN to all persons interested that a Certificate of Final Costs in the above entitled proceeding was filed by the Board of Local Improvements of the City of Dixon, Illinois, in the County Court of Lee County, Illinois, on the 5th day of November, A.D. 1962, which Certificate of Final Costs shows a reduction in the total cost of the improvement of $18,503.51 from the total amount of the assessment made against the properties benefited for said improvement; that Local Improvement Ordinance No. 353, Series of 1961, provided for the construction of a Sanitary Sewer System in the Northwest Section of the City of Dixon.

NOTICE IS FURTHER GIVEN that said Board of Local Improvements having applied to said County Court for a hearing to consider and determine whether or not the facts stated in said Certificate of Final Costs are true, the hearing on said application will be had in the County Court Room in the Court House in Dixon, Illinois, at 10:00 A.M. C.S.T. on the 28th day of November, A.D. 1962, or as soon thereafter as the business of the Court will permit. All persons desiring may file objections to said application in that Court before that day and appear on the hearing and make their defense.

Dated at Dixon, Illinois, this 8th day of November, A.D. 1962.
Edward A. O'Malley
Commissioner
November 12, 19, 1962

COUNTY ZONING NOTICE
(Re-zone)
Take notice that petition has been filed to re-zone the following described Real Estate:
No. 62-P-31
By Marcus F. and Marie A. Gonnerman
Part of the NWQ of the SWQ of Sec. 6 T 21 R 10 E of the 4th P.M., Town of Nachusa. A strip of land on the Northerly side of uniform width of 210' and 910' in length East of the Section line. Also a parcel of land in the NE corner of 200' in width and 210' in depth. From AG-1 to R-2
The petition is on file in the office of the Zoning Board of Appeals in the Court House in Dixon, Illinois.
A public hearing on said petition will be held on the 28th day of November, 1962, at 8:00 PM at the County Board of Supervisors Room in the Court House in Dixon, Illinois.
Written objections may be filed thereto with the County Clerk of Lee County, Illinois.
All persons interested or objecting to said petition should attend said hearing.
ZONING BOARD OF APPEALS
OF LEE COUNTY, ILLINOIS
November 12, 1962

NOTICE OF CLAIM DAY
Notice is hereby given to all persons that Monday, January 7, 1963, is the claim date in the estate of Ray W. Carson, deceased, pending in the County Court of Lee County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons.

Groups Have Meetings In Walnut

WALNUT — The Royal Neighbors met on Tuesday afternoon in the home of Mrs. Mary Mungor, with Mrs. Eugene Whitver assisting hostess.

Sixteen members were present, with Mrs. Martha Epperson, oracle, in charge of the meeting. Games were played in the social hour with prizes being won by Mary Ann Burmeister and Laura Tornow.

The next meeting will be a Christmas party in the home of Mrs. Everett Larson with a potluck dinner at one o'clock and a gift exchange.

At the Illinois Association of Square Dancers held Saturday evening in Aurora, were Mr. and Mrs. Louis Gonigam, Mr. and Mrs. Laverne Burmeister, Mr. and Mrs. Clifford Yerk, Mr. and Mrs. Robert Duraham, and Mr. and Mrs. Kenneth Baumgartner.

Graydon Peterson, who was formerly principal of the Walnut Consolidated Grade School, and who is now principal at Sycamore, was recently elected chairman of the newly formulated area of MPATI, Inc. The official representatives of the member schools of MPATI, Inc., or their alternatives, met on the Northern Illinois University campus for the first meeting as an advisory group of the program.

Members of the Joker Pinochle club met on Saturday evening at the home of Mr. and Mrs. Harold Bohm. Four tables of cards were in play with prizes being awarded to Mrs. Gail Gonigam and Lyle Nearhing for high and to Mrs. Arden Noble and Harold Bohm for low. A lunch was served. Mr. and Mrs. Lyle Neahring will entertain the club on Nov. 24.

The Pinochle Club met at the home of Mr. and Mrs. Ivan Peach on Saturday night. Three tables of cards were in play with score prizes being awarded to Mr. and Mrs. Martin Roth and Mr. and Mrs. Russell Brandenburg. A lunch was served by the hostess and Mr. and Mrs. Clifford Kruse were guests of the club. The next meeting will be Nov. 25 in the home of Mr. and Mrs. Russell Brandenburg.

Mr. and Mrs. Fay Quilter left for Florida where they will spend the winter months.

Mr. and Mrs. Rudy Reifler and family moved Thursday into the Mrs. Emma Bolz home in the east part of town, formerly occupied by Mr. and Mrs. Archie Griffin.

Mr. and Mrs. Charles Polson have moved into the home they recently purchased.

Gary Eckburg, who is attending the University of Illinois dental school in Chicago, spent the weekend with his parents, Mr. and Mrs. Edmund Eckberg.

Mr. and Mrs. George Wallis arrived home Sunday from Mitchell, S. D., where they had spent two weeks with her sister and husband, Mr. and Mrs. James Judge and daughter.

Miss Marlo Brown, who is employed at DeKalb, spent the weekend with her parents, Mr. and Mrs. Leonard Brown.

Library Observes Book Week This Week in Rochelle

ROCHELLE — "I Like Books" is the slogan for National Children's Book Week to be observed Nov. 11 through 17 at the Flagg Township Public Library.

The public is extended an invitation by the library staff to visit the library and become acquainted with the books and the services for the children. Special bookmarks will be given to the visitors.

Franklin Mathews and Frederic G. Melcher conceived the idea in 1918 of Children's Book Week. After securing the enthusiastic support of the American Booksellers Association, their campaign received the official approval of the American Library Association in 1919. In the second year of Book Week the National Association of Book Publishers assumed the promotion of the observance.

HELD UP MAYBE?

WICKENBURG, Ariz. (AP)—This excuse would never work in the East, but for Pete Melapanes, 17, it was a reasonable explanation for being late to Wickenburg High School.

The excuse read, "The stage was delayed."

Helepanes is one of a dozen students who rides a stagecoach from the Slash Bar K Ranch northeast of town to school. The ranch foreman said the trips keep the horses exercised.

EVOLUTION THEORY

The general idea of evolution was a familiar concept to the Greek philosophers before the Christian Era; modern explanation of evolution dates from 1859, when Charles Darwin published his theory.

Telegraph Photo

CURTAIN'S GOING UP—WHOOPS!—Caught in a rehearsal of a play which is about a rehearsal of a play. Confusing? Perhaps, you can best get with the situation by attending the comedy to be presented Nov. 15 and 16 in the Dixon High School auditorium by dramatic students of DHS. The play is under the direction of Richard Boyer. The dramatists were caught in the above photo as they put on skits from the play for teachers at the Dixon Teachers Assn. meeing Thursday in the DHS cafeteria.

POLECATS—Skunks rescued by Jim Huff, McCune, Kan., when their mother was killed by a dog, drink from pan of milk with cat that nursed them. When they became stronger, skunks were released in a wooded area.

FUR GOODNESS' SAKE—Actress Tina Louise gave audience and sidewalk spectators an added treat when she attended a New York City premiere in this svelte costume.

BAKER'S DOZEN—And then some. Over 2,000 loaves of bread from over 600 West German bakeries get their quality tested in Frankfurt. Contest is sponsored by West German Agricultural Society as a service to consumers.

Nov. 3, Marlin Rasmussen, Polo, and Virginia G. Willis, Mt. Morris.

Nov. 5, Tom B. Moore, Rochelle, and Reva Ann Skinner, Rochelle.

Nov. 7, Donald E. Feltz, Rockford, and Sandra J. Prather, Rockford; George R. Reeverts, Byron, and Barbara J. Haughton, Byron; Paul E. Pelc, Rochelle, and Jacqueline Bratton, Rochelle.

Nov. 8, Jack H. Modpalla, Oakland, Calif., and Shirley Ann Empen, Oakland, Calif.; Kenneth L. Olson, DeKalb, and Maria L. Rainwater, Rochelle.

DECOYS PROVED POINT

MIAMI (AP)—Russell C. Faber placed nine decoy ducks on a "pond" outside his office.

He didn't get any ducks, but he did get a sewer.

Faber used the decoys to demonstrate how his street flooded, and stayed flooded, each time it rained. Several weeks later, the city of Miami installed a newer, and larger sewer.

DOGS WILL PAY

MIAMI (AP)—Dade County officials are going to the dogs—every single dog.

County manager Irving McNayr said only 20 to 30 per cent of the canines in greater Miami are being licensed.

So county employes this fall will make a door-to-door check for unlicensed dogs. McNayr said the anticipated additional revenue should put the county's animal control program on a self-sustaining basis.

Texas has more drive-in theaters than any other state in the Union, nearly 500.

DRIVING FOR Traffic Safety

by Charles F. Carpentier
Secretary of State

MOST COLLISIONS ARE NOT ACCIDENTS

It is unfortunate that the word "accident" has come into common usage in referring to all types of motor vehicle collisions.

A careful analysis of the facts will show that very few collisions are actually the result of circumstances completely beyond the control of at least one of the drivers involved. One or more traffic law violations are a factor in almost 90% of the so-called accidents. It is true that mechanical failure is wholly or partially responsible in some cases; however, many of these also involve violations, since a driver is prohibited by law from operating an automobile which is in an unsafe condition.

In view of the fact that most collisions are the result of cause, rather than chance, drivers should be more willing to realize and accept their responsibilities. It is not enough to pass it off lightly by saying, "After all, it was just an accident and my insurance company will take care of it." How does an insurance company restore life to a mangled body? How can a child with a broken back be made to straighten up and walk again?

It is seldom that drivers can logically take refuge by hiding behind the word "accident." The mere fact that there was no intent to kill or injure someone does not excuse a driver who is careless or absent-minded, or who is ignorant of the traffic laws.

BETWEEN THE EYES

MIDDLETOWN, Ohio (AP)—Hunting under a special permit, Albert Little of Germantown, Ohio, bagged a raccoon near here. The 'coon also got Little.

The 29-year-old hunter said the raccoon fell from the tree where he cornered it, hitting him right between the eyes.

"I was out like a light for about five minutes, I guess," Little said. "When I came to, my dog was licking my face."

BACKACHE & NERVE TENSION
SECONDARY TO KIDNEY IRRITATION
After 21, common Kidney or Bladder Irritations affect twice as many woman as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondarily, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. Feel better fast.

Nelsonite Returns From Wisconsin

NELSON — Mrs. Joseph Moore has returned home after spending several days in Beloit, Wis., where she assisted in the care of her new grandson, Joseph Shamus Sagona, who was born Oct. 7, to Mr. and Mrs. Francis Sagona. The maternal grandparents are Mr. and Mrs. Joseph Moore, Nelson, and the paternal grandparents are Mr. and Mrs. Joseph Sagona, Rockford. Mrs. Sagona was formerly Miss Judy Moore.

Mrs. A. J. Palmer, Houston, Texas, recently visited relatives in Dixon and also her cousins, Mr. and Mrs. Earle Stitzel, Nelson.

Mr. and Mrs. James Slavick and daughter "Crissy," Addison, and Mrs. Mary Ann Johnson, Lombard, were recent visitors of their brother-in-law and sister, Mr. and Mrs. Stanley Holaday and family.

Mr. and Mrs. Lawrence Coppotelli have returned from New Paris, Ind., where they visted Mr. and Mrs. Larry Bizzarri and family.

Mr. and Mrs. Alvin Laidig have recently moved to Castle Rock.

Postmaster Earle D. Stitzel, was admitted to Community General Hospital, Sterling, Wednesday afternoon and on Thursday morning will submit to major surgery. He will be confined at the hospital for a period of ten days or two weeks.

Prof. George Cossman, State University of Iowa, recently spent the weekend at the home of his mother, Mrs. Rollo Bunnell. Mrs. Velda Bunnell and Mrs. Ethel Edous, Dixon, were callers at the Bunnell home, Sunday.

Mr. and Mrs. Robert Fritz and family, Bettendorf, Iowa, visited Sunday at the home of her parents, Mr. and Mrs. Ernest Schoaf and family.

Mr. and Mrs. Harvey Sorenson and son, Villa Park, were entertained over the weekend at the home of Mr. and Mrs. Henry Janssen and family.

On Oct. 22, Sgt. Donald Wakenight was dismissed from the United States Army at Fort Hamilton, N.J., after having served three years in the service, much of it spent in Germany. He is residing at the home of Mr. and Mrs. Harry Remrey, Nelson.

Mr. and Mrs. Max Genz accompanied Mr. and Mrs. Forest Anderson, Sterling, to the Wisconsin Dells. They also stopped enroute at Sauk City, Wis., where they planned to visit Mrs. Francis Willis, formerly of Sterling. They learned she had been taken to a hospital in Madison, Wis., for treatment.

FASTEST KO

Tommy Burns set a record for the fastest knockout in the history of world heavyweight boxing championships in 1908 when he belted out Jim Roche in 1:28 of the first round.

HINDENBURG FIRE

The German airship Hindenburg burst into flames while over the U.S. Naval Air Station at Lakehurst, N. J., at the end of a voyage from Germany in 1937. Its hydrogen-gilled gas bags caught fire and exploded, burning the dirigible and killing 35 persons.

RANKINGS

According to data compiled in the 1960 U.S. census, California ranked first in numerical increase of population and Florida ranked second, but Florida ranked first in rate of growth while California ranked fifth in that respect.
